The Big Miss Hank Haney,2013-02-07 In March 2004 Hank Haney received a call from Tiger Woods in which the golf champion asked Haney to be his coach It was a call that would change both men s lives Tiger only 28 at the time was by then already an icon judged by the sporting press as not only one of the best golfers ever but possibly the best athlete ever But Tiger was always looking to improve and he wanted Hank s help Over the next six years of working together the supremely gifted Woods collected six major championships and rewrote golf history Hank was one of the very few people allowed behind the curtain Always haunting Tiger was his fear of the big miss

the wildly inaccurate golf shot that can ruin an otherwise solid round and it was because that type of blunder was sometimes part of Tiger's game that Hank carefully redesigned his swing mechanics. Towards the end of their time together the champion's laser-like focus began to blur and he became less willing to put in punishing hours practicing. Hints that Tiger hungered to reinvent himself were present in his bizarre infatuation with elite military training and in a development Hank didn't see coming in the scandal that would make headlines in late 2009. It all added up to a big miss that Hank, try as he might, couldn't save Tiger from. There's never been a book about Tiger Woods that is as intimate and revealing or one so wise about what it takes to coach a superstar athlete.

Untitled Tiger Woods Memoir Tiger Woods, 2023 **Tiger Woods Made Me Look Like a Genius** Don Crosby, Jim Dale, 2000

An easygoing storytelling style makes this offering from Tiger Woods's high school coach a delight. **Tiger Woods Made Me Look Like a Genius** weaves Don Crosby's golfing techniques into the story of coaching the champion and how Woods's own methods meshed with and enhanced Crosby's approach. Coach Don Crosby has only a 12 week season to turn ragtag teenage duffers into championship contenders. With no time to waste, he focuses on five basics that can take ten strokes off anyone's score. The Practice Range: good for two shots off your game. The Short Game: the surest way to lower your score is to chip away at it. Putting: imagine no three putt greens. Course Management: a course you know is two shots easier than one you don't. Stats: you can't get better unless you know how you're doing. **Tiger Woods Made Me Look Like a Genius** is a handbook of Crosby's golfing techniques and strategies, sprinkled liberally with his personal recollections and anecdotes of the good old days when he coached the young Tiger. The stories Crosby's **True Tales** bring the mechanics of golf to life, illustrating how these five techniques work and what to expect from them while offering an intimate look at the evolution of champion Tiger Woods. The book also features an insert with photographs and memorabilia from these special days of coaching.
