***The Church on the World's Turf*** Paul A. Bramadat, 2000-06-29 Is it possible for conservative Protestant groups to survive in secular institutional settings Here Bramadat offers an ethnographic study of the Inter Varsity Christian Fellowship (IVCF) at McMaster University a group that espouses fundamentalist interpretations of the Bible women's roles the age of the earth alcohol consumption and sexual ethics In examining this group Bramadat demonstrates how this

tiny minority thrives within the overwhelmingly secular context of the University      **Piercing the Darkness** Frank E. Peretti,1993 In the tiny farming community of Bacon s Corner an attempted murder a case of mistaken identity and a lawsuit against a struggling Christian school all lead Sally Beth Roe to flee for her life      *This Present Darkness* Frank E. Peretti,2001      **Writing the Rapture** Crawford Gribben,2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature      [The Jihad of Jesus](#) Dave Andrews,2015-05-29 We are caught up in the cycle of so called holy wars In The Jihad of Jesus Dave Andrews argues that while this inter communal conflict is endemic it is not inevitable Depending on our understanding our religions can be either a source of escalating conflict or a resource for overcoming inter communal conflict and for our religions to be a resource for overcoming conflict we need to understand the heart of all true religion as open hearted compassionate spirituality In the light of an open hearted compassionate spirituality we can reclaim the word jihad from extremists who have mis appropriated it as a call to holy war and reframe it in truly Qur anic terms as a sacred nonviolent struggle for justice and we can reconsider Jesus as he is in the Gospels not as a poster boy for Christians fighting crusades against Muslims but as a strong but gentle Messianic figure who can bring Christians and Muslims together As this book shows many Christians and Muslims have found Isa Jesus and the Bismillah celebrating the mercy grace and compassion of God as common ground upon which they can stand and work for the common good The Jihad of Jesus is a handbook for reconciliation and action a do it yourself guide for all Christians and Muslims who want to move beyond the clash of civilizations join the jihad of Jesus and struggle for justice and peace nonviolently side by side      **The No-Nonsense Church** Craig DuBois,2006-03 DuBois conveys characteristics necessary for every Christian congregation serving Jesus Christ Social Issues      **The Devil Wants You!** Dr. Randall J.
