Jerome, 2013-10-31 Martyrs to hypochondria and general seediness J and his friends George and Harris decide that a jaunt up the Thames would suit them to a T But when they set off they can hardly predict the troubles that lie ahead with tow ropes unreliable weather forecasts and tins of pineapple chunks not to mention the devastation left in the wake of J s small fox terrier Montmorency Three Men in a Boat was an instant success when it appeared in 1889 and proved so popular that Jerome reunited his now older but not necessarily wiser heroes in Three Men on the Bummel for a picaresque bicycle tour of Germany With their benign escapism authorial discursions and wonderful evocation of the late Victorian clerking classes both novels hilariously capture the spirit of their age **It's Not What You Say...It's What You Do** Laurence Haughton, 1907 An indispensable management guide to making sure that the long term strategies and day to day goals a company sets are successfully executed written by the coauthor of the national bestseller It s Not the Big That Eat the Small It s the Fast That Eat the Slow Good managers at every level recognize the importance of strategic planning and setting concrete goals for their employees But even the best among them often fail to implement and support the crucial processes that turn well laid plans into visible successes Studies show that over the last fifty years a whopping 83 percent of corporate slowdowns were attributable not to outside economic forces but to the lack of vigilant follow through within the company itself In IT S NOT WHAT YOU SAY IT S WHAT YOU DO Laurence Haughton identifies the missteps that allow initiatives to fall through the cracks and explains how to close the gap between what a company sets out to do and what actually happens Drawing on interviews with top level executives from such companies as IKEA the Wall Street Journal Charles Schwab Time Warner Watson Wyatt Pella Corp and scores of others both large and small he presents the essential strategies for ensuring the success of innovations and change including Get more buy in from employees on new

initiatives Balance control with coordination to make your team more effective Make sure that expectations are crystal clear Maintain a sense of urgency and momentum on a daily basis Filled with real life examples of how effective follow through stems the waste of resources improves productivity and prevents costly mistakes IT S NOT WHAT YOU SAY IT S WHAT YOU DO gives managers up and down the corporation or company the tools they need to eliminate failure resulting from lack of follow through and achieve their goals *Crossing Borders in Victorian Travel* Barbara Franchi, Elvan Mutlu, 2018-04-18
