Through The Eyes Of The Spirit:

The Earths in the Universe, and Their Inhabitants Emanuel Swedenborg,1875 **Hafed, prince of Persia: his experiences, being spirit communications received through D. Duguid, with an appendix [compiled by H. Nisbet].** David Duguid,1876 **God's Generation** Dwight Tatum,2018-08-14 God and Satan good and evil the first and last war A war not taking place in heaven but here on earth A war in the invisible spiritual world that goes on as we live from day to day People generally want and desire to be good but often find it hard to be because Satan has created so many avenues into our world and lives Being invisible deceitful and very crafty we re defenseless and no match for him so God protects us when we ask for his help A lot of us help our enemy in defeating us by lacking faith in God and believing Satan s lies and deceit Some people don t believe in God or Satan but both exist and affect our lives Not believing and allowing Satan into our lives defeat us because he uses us for his purposes God blessed me after living a terrible life to see and experience how Satan deceives us God has blessed me to share my story with you in order to expose Satan and allow you to see him at work in your lives and let you know that you need God to defeat him If you can t recognize him you don t know you re being deceived but God will reveal him to you because Satan can t deceive God *Christ, the Spirit, and Human Transformation in Gregory of Nyssa's in Canticum Canticorum* Alexander L. Abecina,2023-09-15 It is generally agreed that virg is Gregory of Nyssa s first written work composed sometime in the early 370s Recent scholarly interest in the text has tended to focus upon Gregory s alleged ranking of different forms of married and celibate life in relation to fourth century Christian asceticism Rarely however has the overtly ascetical subject matter of the work been studied with regard to one of the most pressing doctrinal debates of the 370s and 380s namely the dispute over the status of the Holy Spirit a matter which the Cappadocian Fathers took up with great force against the Macedonians who denied the Spirit s essential unity with the Father and the Son This chapter therefore investigates the role Gregory assigns to the Holy Spirit in the virgin s spiritual marriage or union with Christ I will show that Gregory stresses throughout the work that such union with Christ is in fact impossible for the naturally weak and fallen virgin unless it is actualised by the life giving power of the Holy Spirit who shares in the very attributes of purity incorruptibility and virginity that are proper to the Father and the Son This he expounds with direct reference to baptismal theology Thus read in light of the debates with the Macedonians in the 370s and 380s virg can be understood to prescribe a form of ascetical life which rests upon the characteristically anti Macedonian conviction that the Spirit who is received at baptism unites humanity to the Son and the Father because the Spirit is himself essentially united to the Son and the Father This analysis of pneumatology in virg is of central importance to my study of hom in Cant both works portray humanity s union with Christ under the metaphor of marriage That Gregory construes this nuptial union in thoroughly pneumatological and hence baptismal terms in his earliest work serves to attune my focus upon resonant pneumatological and baptismal themes that shed light on his exegesis of the Song of Songs in his final written work **Seeing Through the Eyes of the**

Spirit John Oti,2018-06-23 Seeing through the Eyes of the Spirit is a Bible based practical approach to the place of dreams visions and revelations in the lives of those who are believers in Christ Jesus It is obvious that some even among Christians have problems believing in dreams and revelations as a critical component of spirituality in the times we now live However a close and a thorough examination of the Bible in general and the book of Acts provides the evidence that what God did in the past does happen in our time because God has not changed Moreover further evidence in the book of Hebrews notes Jesus Christ the same yesterday today and forever Hebrews 13 8 In other words those who are believers in Christ do experience seeing through visions and receiving revelations from God Regardless of the skepticism of the modern and postmodern worldview God moves in supernatural ways to accomplish his plans on earth Furthermore everyone who has read Acts and the entire New Testament will also come to the conclusion that the ability to see through dreams and visions did not end with the apostles of the Lamb or the early church fathers Rather visions and revelations are a commonplace phenomenon for anyone in any age who has had a genuine encounter with the living Christ Without a doubt there are those who claim to have visions and who have made such claims when their experiences have not been proven to be biblically based or an authentic divine experience from God However just because such people misrepresent the gospel does not negate the fact those with visions and revelations in this time truly had such encounters from God Seeing through the Eyes of the Spirit is a signature of my own experiences in many years of the ministry I trust that the testimony and the teachings from the holy scriptures in this book will inspire future Christian leaders to be more prepared for supernatural encounters from the Lord *A Compendium of the Theological Writings of Emanuel Swedenborg* Emanuel Swedenborg,Samuel Mills Warren,1885 *The Spiritual Language of Art: Medieval Christian Themes in Writings on Art of the Italian Renaissance* Steven F.H. Stowell,2014-11-13 Analyzing the literature on art from the fifteenth and sixteenth centuries The Spiritual Language of Art explores the complex relationship between visual art and spiritual experiences during the Italian Renaissance Though scholarly research on these writings has predominantly focused on the influence of classical literature this study reveals that Renaissance authors consistently discussed art using terms concepts and metaphors derived from spiritual literature By examining these texts in the light of medieval sources greater insight is gained on the spiritual nature of the artist s process and the reception of art Offering a close re readings of many important writers Alberti Leonardo Vasari etc this study deepens our understanding of attitudes toward art and spirituality in the Italian Renaissance **The Spiritual Root of the Matter Is Found in Me!** Pamela McKissack,2012-06 This work is being released after being hindered for a little over 3 years However due to the importance continued promptings encouragement consistent help and steadfastness of the Holy Spirit we are finally able to release it to the body of Christ as led and directed by the Lord Seeing that none of us are perfect we have done our best to help you understand how the Lord is desiring us to gain the ability to resist dark spirit infiltrations development and infestations against our body soul spirit life and relationships which could lead to spiritual captivity spiritual spoil spirit

domination and can even cause or produce servants of corruption without consistent releases from dark spirit activity and intrusions of dark spirit life Although it may not be a perfect work it is the Lord that perfects His work in our lives it is a complete assignment within itself None of us will ever be perfect outside of Christ We have stood in the gap to complete this work for the body of Christ and those desiring to be in the Lord s camp by the will of the Lord and by His grace we humbly release this writing to help you stand in these last days in obedience to the Lord and we pray to do a Volume Two to continue working towards perfecting anything we could have missed while continuing to stand during try times and hindrances to complete this work It continues to be a good fight of faith all the way for the honor and glory of His name Eze 22 30 Sam 15 22 Eph 6 13 Please remember that our independent flow charts are now available to help preserve the body soul and or spirit life and situations in Christ and can be used as a supplement to this writing to help you stand in battle in these areas and or withstand whatever and however the enemy is trying to affect and or operate in your life Be encouraged there is hope in Christ Jesus because of His complete work at Calvary HE IS RISEN He is Lord in the spirit realm He is Lord of all Mt 28 6 We bless you in the name of the Lord Ps 129 8 Pamela McKissack one of our contributing authors and Lord Ministry Staff For contact information write LMS P O Box 27176 Cleveland Ohio 44127 **Holy Spirit Who?** Alexys V.
