Floyd Clymer publication of the official factory Suzuki Workshop Manual for the T10 250cc series of motorcycles It also
includes the supplement issued by the factory for the later models of this series There are comprehensive tables of technical
data tolerances and fits and all of the expected data from a factory publication for the repair and overhaul of all major and
minor mechanical and electrical components making it an invaluable resource for collectors and restorers of these classic
Suzuki motorcycles There are 190 illustrations and each procedure is explained in a step by step method using an
appropriate illustration The translation from Japanese to English is at times a little quirky but the illustrations make up for
any difficulty in understanding what needs to be done Out of print and unavailable for many years this book is highly sought
after on the secondary market and we are pleased to be able to offer this reproduction as a service to all Suzuki enthusiasts
