2ND EDITION

BY JOHN MITTENDORF

Fire Engineering

The background of the book cover is a dramatic illustration. It shows the silhouettes of two firefighters in full protective gear, including helmets and oxygen tanks. They are positioned in the foreground, looking towards a large, intense fire that fills the background with bright orange and yellow flames. The scene is set at night or in a dark environment, with the fire providing the primary light source. The overall tone is serious and professional, reflecting the nature of the book's content.
