Missionaries, Mental Health, and Accountability Jonathan J. Bonk, Nelson J. Jennings, Kim Jinbong, 2020-03-09 Hope and Help in Member Care Culture shock Marital strife Depression Addictions Disillusionment Organization and team tensions Family trauma Medical issues This is not what you signed up for when you pursued missions Field workers cross linguistic cultural and ministry boundaries but they still experience the same mental health challenges as everyone else and often more When the missionary unit includes a spouse and children the complexities multiply as each person undergoes stressors Needing psychological or psychiatric help too often leads to burnout or worse It is time to let go of the stigma and embrace mental health Missionaries Mental Health and Accountability opens with stories of scriptural saints who also struggled and still made profound impacts for the kingdom Then global contributors comprised of an equal balance of Korean and Western writers reach into the complexity of missionary mental health with the added component of accountability in church and agency support systems Specifically four important areas of missionary mental

health are considered 1 disillusion discouragement and depression 2 relational dynamics and tensions 3 contributing factors in missionary psychological duress and 4 resources and organizational structures that address missionary mental health Every chapter demonstrates courage personal conviction and judicious honesty Significant insights provided through case studies surveys and personal reflections will offer action steps for increasing mental health awareness and developing mental health best practices for individuals and teams Written for field workers and those who support them Missionaries Mental Health and Accountability is a critical resource in member care Real Rape, Real Pain (EasyRead Edition) , **The Time Cure** Philip Zimbardo, Richard Sword, Rosemary Sword, 2012-10-23 In his landmark book The Time Paradox internationally known psychologist Philip Zimbardo showed that we can transform the way we think about our past present and future to attain greater success in work and in life Now in The Time Cure Zimbardo has teamed with clinicians Richard and Rosemary Sword to reveal a groundbreaking approach that helps those living with post traumatic stress disorder PTSD to shift their time perspectives and move beyond the traumatic past toward a more positive future Time Perspective Therapy switches the focus from past to present from negative to positive clearing the pathway for the best yet to come the future It helps PTSD sufferers pull their feet out of the quicksand of past traumas and step firmly on the solid ground of the present allowing them to take a step forward into a brighter future Rather than viewing PTSD as a mental illness the authors see it as a mental injury a normal reaction to traumatic events and offer those suffering from PTSD the healing balm of hope The Time Cure lays out the step by step process of Time Perspective Therapy which has proven effective for a wide range of individuals from veterans to survivors of abuse accidents assault and neglect Rooted in psychological research the book also includes a wealth of vivid and inspiring stories from real life PTSD sufferers effective for individuals seeking self help their loved ones therapists and counselors or anyone who wants to move forward to a brighter future Real Rape, Real Pain (Volume 1 of 2) (EasyRead Large Bold Edition) , You Can't Just Snap Out of It: The Real Path to Recovery from Psychological Trauma Doug Bremner, 2023-06-03 Psychological trauma can put a stranglehold on your life Childhood abuse car accidents the sudden death of a loved one the list goes on and on You try and put things in the past and forget about them but it can be hard to move on Your friends and family tell you to get over it move on and just snap out of it You try but it's not that easy The more they tell you things like that the worse you feel because now you are a failure in addition to everything else But there is a better way YOU CAN'T JUST SNAP OUT OF IT will teach you how to take charge of your recovery from psychological trauma It gives you tools to put you on the road to recovery like stress reduction techniques meditation mindfulness training and anxiety reduction strategies as well as changes in lifestyle that can improve your mood and how you feel about yourself We also offer tips to partners and families to help them understand what you are going through because loved ones may hold the key to your recovery The book introduces the START NOW Program which we have developed It incorporates an easy to remember acronym that spells out an eight point plan to recovery teaching principles like seeking

safety talking about trauma learning altruism and many others This book lets YOU be in charge of your recovery and it won't cost you an arm and a leg Taking charge of your own recovery from psychological trauma is a powerful tool Real Cause, Real Cure, 2023 Real Cause Real Cure pinpoints and explains the underlying and often overlooked real causes of disease and then offers dramatically effective natural treatments that will finally get to the root of not only your symptoms but also the condition itself **Real Rape, Real Pain (Volume 1 of 2) (EasyRead Super Large 20pt Edition)**, **The Mind Gateway** Lucy Mambu, 2020-05-29 Life is a battleground Every single one of us will face difficult times It is war And the war is intense Challenges and hurdles are part of everyday life Problems and difficulties are companions of every human being It is a fact that as long as we are walking through this journey called life we are bound to face challenges and fight battles It is the fight to win the battles overcome the challenges and crossover the obstacles that leave us journeying through life with a dysfunctional and skewed mindset When we encounter painful experiences the pain sinks deep into the brain When this happens the painful memories outweigh the happy memories in the vortex of the mind This book is written to help you know that through the transformation of the mind you have the power in your hands to turn your circumstances around for your good It's all in the mind and our mindset is everything Our brains are programmed to think in a certain way and we as human beings have the power to reprogram our mind to think the way we want it to think break out of mental imprisonment win the battles of the mind and ultimately become success conscious
