Truffle Oil Pizza Recipe:

The Italian-American Cookbook John Mariani, Galina, 2010-06-21 Italian American dishes are what we crave and what we make what we order and what we wax rhapsodic about The last century has seen hundreds of inspired new dishes take their place at the table alongside traditional preparations resulting in a cuisine that is as current as it is classic At last here is the place to look for the tastiest and most definitive renderings of Shrimp Fra Diavolo Steak Florentine Pasta alla Primavera Linguine with Clam Sauce Spinach with Pignol is Tiramisu and all the other treasures of the Italian American table In these pages America's premier restaurant critic John Mariani and his wizard in the kitchen wife Galina Mariani update and perfect all the classics in lighter less creamy and cheesy versions made with the freshest of ingredients The Mariani's make a convincing case that Italian American cooking far from being a watered down version of Italian cookery is a full fledged cuisine in its own right In fact as they show in a fascinating introduction many elements of Italian cuisine in Italy today are actually imports from the Italian American repertoire In 250 recipes they reveal not only how glorious that repertoire is but also how its basic elements may be used in innovative new ways in a Risotto with Apples and Saffron for example or a Pork Roast with Fennel This is a feast of food from antipasti and soups through pastas and pizzas all the way to dessert and also of history and folklore in the dozens of sidebars and archival photographs that bring to life the family restaurants and home kitchens where these magnificent ethnic dishes are prepared and enjoyed

Kosher Billionaire's Secret Recipe Stacy Cohen, 2007 The Dotmocracy Handbook provides a unique set of easy to follow instructions for finding useful agreements among many people At its core is the deceptively simple Dotmocracy sheet designed to provide participants with equal opportunity to contribute to a reliable and transparent large group decision making process From grade school students to technical professionals grassroots organizations to government institutions and private corporations Dotmocracy has universal appeal and application
