

Softball Rules

Field Size

The field dimensions vary depending on the league but typically feature a 60-foot base path and a 120-foot distance from home plate to the outfield fence.

Players

Each team consists of nine players on the field. Positions include pitcher, catcher, infielders (first base, second base, third base, and shortstop), and outfielders (left, center, right).

Innings

A standard game consists of seven innings, each with a top and bottom inning. Each team gets a turn to bat and a turn to field in each inning.

Batting Order

Players must bat in a fixed order throughout the game, and the lineup must be submitted before the game starts.

Outs

A team gets three outs per half-inning. Outs can occur via strikeouts, catches of batted balls, or force-outs at a base.

Walks

When a batter reaches four balls outside the strike zone, they may advance to first base.

First Base

A batted ball that lands outside the field of play is considered a foul. If a batter hits four fouls, it counts as a strike unless it's the third strike.

Base Runners

Runners must reach each base in order. They can reach base only in some leagues after a pitch has crossed home plate.

Home Run

A ball hit over the outfield fence is considered a home run if the batter and any advancing runners complete the circuit around the bases.
