Chadwick-Guest, 2017-05-08 **A Common Purpose** National Council of Teachers of English, National Association for the Teaching of English, 1966 **A common purpose**, 1966 [Intellectual Manhood](#) Timothy J. Williams, 2015-03-09 In this in depth and detailed history Timothy J Williams reveals that antebellum southern higher education did more than train future secessionists and proslavery ideologues It also fostered a growing world of intellectualism flexible enough to marry the era's middle class value system to the honor bound worldview of the southern gentry By focusing on the students perspective and

drawing from a rich trove of their letters diaries essays speeches and memoirs Williams narrates the under examined story of education and manhood at the University of North Carolina the nation s first public university Every aspect of student life is considered from the formal classroom and the vibrant curriculum of private literary societies to students personal relationships with each other their families young women and college slaves In each of these areas Williams sheds new light on the cultural and intellectual history of young southern men and in the process dispels commonly held misunderstandings of southern history Williams s fresh perspective reveals that students of this era produced a distinctly southern form of intellectual masculinity and maturity that laid the foundation for the formulation of the post Civil War South
