Best Sermons ,1951 **Sermons for All Classes** T. M. Morris,1868 **Engaging the Gadfly** Casey T. Sigmon,2025-06-09 In 2020 most preachers and congregations were forced into online and hybrid preaching We had to react quickly For some this adventure opened creative forms of preaching stitches duets reels and VR For others it was a season of just getting by cell phones propped up on books laptops on dining room tables We did what we could to proclaim the good news in turbulent times Five years later Sigmon invites preachers and congregations to reflect on those experiences as they consider the future of preaching She helps the reader engage the Gadfly whose buzzing signals a shift in how we understand relationships truth presence and place in this digital age Sociologists and historians argue that we are now on the brink of a shift in communication as transformative as the invention of the printing press No wonder ministry is so challenging right now Ultimately this digital age like previous ages of technological change presents problems and possibilities to the practice of preaching and so ecclesiologically the shape of the church What shapes will emerge Sigmon will empower preachers and congregations to answer that question for themselves through a new media homilecclesiology

Best Sermons Ever (Compact Edition) Christopher Howse,2004-06-15 Each sermon is introduced by a short note on the preacher and his time and a contemporary prayer is added at the end The sermons range from hell fire to profound spiritual comfort John Knox s sermon castigates the monstrous regiment of women Bossuet preaches on the love of God and Martin Luther King on his dream of the Promised Land Some sermons are familiar as are many of the authors but the book is also packed with surprises including sermons by Herman Melville Laurence Sterne and Thomas Aquinas This unique book will edify delight and amuse It is also of quite exceptional historical interest

Best Sermons ... Joseph Fort Newton,1927 **Transitions** David Mosser,2011-01-01 Preacher and teacher David Mosser offers practical and spiritual guidance for pastors struggling to manage and respond to changes in the economy changes in their neighborhoods changes in their denominations changes in the congregation changes in culture and the life changes present in every parishioner s life Wise words from authors such as Alyce McKenzie David Buttrick Joanna Adams and Thomas Long all contribute to this most timely and helpful book

Heart Religion John Coffey,2016 A collection of ten essays on the phenomenon of evangelical piety most closely associated with

the Evangelical Revival of the 1730s and 1740s The essays ask whether the religion of the heart predated the Revival and look at a range of possible influences *Morning light [afterw.] The New-Church weekly*, 1884 *Planting Growing Churches for the 21st Century* Aubrey Malphurs, 2004-10-01 If the church is to thrive in the twenty first century it will have to take on a new form as it ministers to the 120 million unchurched people in the United States *Planting Growing Churches for the 21st Century* is still virtually the only available text on church planting in North America and beyond In this third edition readers will find material on the importance of healthy biblical change in our churches updated appendixes insight on our postmodern ministry context and strategies for reaching new population demographics such as Generations X and Y Pastors ministry leaders and church planters will find the information and advice found in this book invaluable as they carry out their ministries *Best Sermons* George Paul Butler, 1977-06 **Hogg's Instructor**, 1849 *Catalog of Copyright Entries. New Series* Library of Congress. Copyright Office, 1926 Part 1 Books Group 1 v 22 Nos 1 131 Issued April 1925 April 1926 *The Living Church*, 1952 *With God in the Crucible* Peter Storey, 2010-09-01 Often the church is accused of being so embedded in the culture that effective prophecy leveled at the culture is impossible But this book illustrates that there was a time and a place where the church community was faithful to its mission as the body of Christ as church leaders led people lifted high the cross and they marched into the uncertainty that still prevails Here is a time and place where the call to risky discipleship was answered not with whimpers whines and excuses but with the power of faithful Christians living out their call This book illustrates what it can mean to faithfully answer the call to discipleship and God's service Many people wonder if they would be able to stand up for their faith if it meant great personal sacrifice or the sacrifice of people they love They wonder what they would risk for their faith if anything In the United States where cost benefit analysis is a popular way to assess risk many Christians wonder if they might not have to stand alone because too many see the risks as too costly As suggested by the title this book draws upon a collection of sermons and addresses given by Peter Storey in a variety of contexts between 1966 and 1993 The original audiences ranged from the all white Central Methodist Church in Johannesburg to the South African Council of Churches to the nation of South Africa and to the world All of these sermons and addresses are directly related to specific historical events security police confrontations beatings and tear gassings in churches around the country of South Africa an imposed State of Emergency the murder of 14 year old Stompie Sepie by Winnie Mandela's thugs and the violent jockeying for power between Mandela's African National Congress Chief Mangosutho Buthe's Inkatha Movement and F W de Klerk's regime The book offers the full perspective of what it means to speak truth empower people to stand for the truth and to pastor souls during times when living truth seems almost impossible Key Features 1 Foreword by Desmond Tutu 2 15 chapters each including a brief description of the original context the sermon and its connection with the present and a prayer 3 Epilogue by Will Willimon **In Need of Your Prayers and Patience** Mary Lou Shea, 2015-07-14 The Church of the Nazarene embraces American attachments to

democratic rule individual initiative efficiency and a strong sense of responsibility as a city on a hill It is also present in more than 150 world areas These attributes are reflected in the astounding story of one of the founders of the denomination H F Reynolds who has been long hidden in the shadow of his early colleague Phineas Bresee While the church points to Bresee as its founding father Reynolds lived and served for an additional two decades following Bresee s death shaping the role of the General Superintendency clarifying and expanding the church s Manual to meet the needs of the growing denomination and establishing mission policies and practices that took it from a US church to a global presence Reynolds maintained a lively devotion to Christ as he survived train wrecks war dread disease and the sheer volume of meetings correspondence and explosive scandal that came with the nurturing of a new church His vision and methods have profoundly influenced a denomination that does not know his name This volume is designed to make the introduction

Darkness Falls on the Land of Light Douglas L. Winiarski, 2017-02-09 This sweeping history of popular religion in eighteenth century New England examines the experiences of ordinary people living through extraordinary times Drawing on an unprecedented quantity of letters diaries and testimonies Douglas Winiarski recovers the pervasive and vigorous lay piety of the early eighteenth century George Whitefield s preaching tour of 1740 called into question the fundamental assumptions of this thriving religious culture Incited by Whitefield and fascinated by miraculous gifts of the Holy Spirit visions bodily fits and sudden conversions countless New Englanders broke ranks with family neighbors and ministers who dismissed their religious experiences as delusive enthusiasm These new converts the progenitors of today s evangelical movement bitterly assaulted the Congregational establishment The 1740s and 1750s were the dark night of the New England soul as men and women groped toward a restructured religious order Conflict transformed inclusive parishes into exclusive networks of combative spiritual seekers Then as now evangelicalism emboldened ordinary people to question traditional authorities Their challenge shattered whole communities
