problems later on when you see yourself losing muscle mass or when you continue to suffer from the tiredness and other problems brought on by toxic inflammatory foods. Conventional diet books pay attention to factors like fat content, carbohydrate levels or calorie percentages. These are all an important part of successful dieting but they're not sufficient to help you lose weight and reclaim your health. That's because these diet cookbooks ignore the role of toxins and inflammation in weight gain and physical problems. This book provides the recipes and resources you need to get your systems back under your control and start taking off unhealthy fat. You'll enjoy great meals featuring fruit smoothies, crisp salads, risottos and homemade chips and dips. You'll also get the chance to try out anti-inflammatory foods based on lean protein and plenty of health-boosting fresh vegetables. These foods are designed to support good health without losing out on flavor. Once you've tried them, you'll never go back to the way you used to eat. Great health and a beautiful body are compatible goals. You just need to choose a diet that includes beneficial foods. Decrease toxin and inflammation levels, slim down and boost your health by enjoying these simple recipes. It won't take long until you're amazed that you ever ate any other way.

Best Recipes of the Maritime Provinces, 2012-09-25. Maritime cooking starts with great local produce: lobster, scallops, oysters, blueberries, apples, cranberries, maple syrup and more. There are treasured traditional dishes: hodge-podge baked beans, gingerbread, blueberry grunt as well as the simple but delicious lobster boil. Leading chefs like Craig Flinn of Halifax's Chives restaurant, Michael Howell of The Tempest in Wolfville and many others have come up with wonderful new ways of cooking with fresh local ingredients. *Best Recipes of the Maritime Provinces* brings the traditional and the contemporary together in one great collection. During her many years as Canadian Living magazine's food editor, Elizabeth Baird was a great fan of Maritime cooking. She has visited every corner of the region to research and write about great local producers and cooks and their recipes. To prepare this collection, she started with well over 1,000 recipes published in cookbooks over the past three decades. From those, she has selected 400 recipes by over fifty of the region's leading chefs, including Elaine Elliot and Virginia Lee whose bestselling *Maritime Flavours* has sold more than 30,000 copies.
