

The background of the cover is a photograph of an industrial pharmaceutical manufacturing environment. It features stainless steel machinery with three vertical cylindrical vessels, each topped with a blue cap. A network of pipes and valves connects these vessels. In the foreground, a Siemens SIMATIC HMI (Human Machine Interface) is mounted on a stand. The HMI has a large color touchscreen displaying a complex process flow diagram with various tanks and connecting lines. Below the screen are several physical buttons: a green one, a red one, and a larger yellow emergency stop button. The Siemens logo is visible in the top left corner.
