Newburyport Peter James Ford, 2023-02-19 MYSTICISM IN NEWBURYPORT is a seven book series revealing ancient secrets from masters of all cultures along with modern day breakthroughs by scientists and quantum physicists of our times These tales began flowing after Peter's powerful spiritual awakening in Newburyport Massachusetts Newburyport is a quaint little historic seaport on the coast heading towards New Hampshire Peter had been sober in the 12 step recovery program for many years and had recovered from his alcoholism Peter's love of Nature had brought him to the Newburyport area This area is rich with Nature's treasures Native American Heritage and many tales from the tall cargo ships of olden days High street was lined with homes of these Sea Captains Peter's awakening had given him new eyes and new highly evolved senses Peter was to have powerful past lives experience with his Mystery Woman guide named Layne Layne was a mystic that would tell people things about themselves that there was no way she could know She would look you in the eyes and tell you your deepest secrets She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport Peter's new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport Market Square was one of the crossroads for these powerful electromagnet energies that gives life to our planet Peter was to share the secrets that were revealed to him in his writings

Vision Quest Peter James Ford, 2023-12-13 VISION QUEST is a book recording the continual soul expansion of the seeker Peter James Ford Peter's journey began after a powerful spiritual experience in the little historic seaport in Newburyport

Massachusetts In Peter s late night meditations which were along the Merrimac River the boardwalk the Salisbury Reservation on the Atlantic Ocean Plum Island Maudsley Estate State Park Pow Wow Hill Native American Burial Grounds and Old Hill Burial Grounds he was having vivid explosions in his mind of seemingly past life experiences and powerful insights Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see Peter s intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources The source may be the Akashic Records Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons We can access this power through ancient spiritual practices and apparently Peter has done just that Stories and Tales began flowing from Peter and he wrote his first book In the last three years Peter has written eight more books and shares everything he has found from his journeys to the inner worlds Peter wrote a seven book series under the title MYSTICISM IN NEWBURYPORT with an eighth bonus companion book called MYSTIC Now you are holding his new writings in your hands Peter laughingly calls himself An Unlikely Messenger as his younger years were nothing resembling anything spiritual So here is the story of just another seeker realizing his divinity and returning to his own heart

Twelve Wisdom Steps Andrea Travers,2011-11 Beneath the well known twelve steps of Alcoholics Anonymous A A are concealed the universal principles of spiritual practice as they are expressed in traditional religions and wisdom traditions including Buddhism Christianity Cosmology Hinduism Islam Judaism Native American Spirituality and Taoism This wisdom expressed itself in a 20th century movement known as A A The purpose of this book is to ensure that seekers from all faith traditions have an opportunity to realize and appreciate the universality of transformative spiritual practices We humans share common ground today despite cultural and superficial differences In *Twelve Wisdom Steps Unifying Principles of the 12 Steps of A A Found in the Wisdom Traditions* Rev Dr Andrea emphasizes that amid all the seemingly unique and distinct religious expressions and forms there is an underlying binding truth which is shared that promotes a universal experience This perceptive engaging work challenges us to set our own traditional and cultural lenses aside and open ourselves to merging what we know with a new understanding of shared principles at a time in our world when we are seeking to better understand each other and find common ground on which to relate

Reflections Peter James Ford,2024-03-27 Peter James Ford The Unlikely Messenger is a unique individual with a broad understanding of life from having lived life from many lifestyles Peter experienced the good the bad the ugly and then an awakening and redemption His younger years found him struggling with alcoholism and the drugs of the sixties with having learning disabilities including attention deficit disorder and growing up in a violent environment Peter turned to physical training and motorcycles and found much satisfaction in both At an early age Peter crawled into the 12 step recovery program a broken man This was the beginning of Peter s spiritual journey Over the years Peter attained the promises of the program and began living a great life Many years later Peter was initiated into a yogic path that had begun thousands of years ago by an ancient

lineage of Masters Peter did not realize that his profound spiritual experience at that time was actually a powerful Kundalini Awakening within him Shortly after his awakening these mystic tales of past lives and powerful wisdom truths began flowing Peter has just completed his seventh book about his life adventures and spiritual journey Peter hopes people find something useful in his writings or at least that they will bring a smile to your face when thinking about Peter this Unlikely Messenger
