**Seventh-day Adventist Church Manual.** General Conference of Seventh-Day Adventists, 2005      **Stewardship Manual** GENERAL CONFERENCE OF S.D.A., 1970      ChristWise Leader's Guide for Juniors, Teens, and Youth Tony Fitzgerald, 2002      *Australian national bibliography*, 1961      **The Silent Church** Zdravko Plantak, 2016-07-27

The relationship between the Adventist church and society at large has always been ambiguous. One reason for this has been the church's inarticulate social ethics. While the church upheld the concept of human dignity, promoted religious liberty, and sided with the poor, nationalism and racism developed among its members. Women in the church were also unfairly treated. Zdravko Plantak confronts this problem head on. He begins by looking at the church's history, theology, and ethics in order to discover reasons for the inconsistencies in its approach to human rights and then moves on to propose a more comprehensive approach to its social ethics.

*Seventh-Day Adventist Unveiled* Nicolette Bucknor, The purpose of this book is to share the truth and unveil the hidden deceit that is buried within the SDA Seventh Day Adventist religion. I know Adventists are not the only religion to have strayed from the truth of the Bible, but I hold the strong stance that if a religion contradicts the teachings of the Bible, they are a false religion promoting a false gospel. I do not say this to offend persons of other religions, but at the same time, I think it's important to be honest and straightforward when telling you what I believe. The Bible is clear that Jesus is the way, the truth, and the life. My goal is to share the truth, and my motive for making this book is one of love. The reason I am specifically focusing on Seventh Day Adventists is because I was a part of that religion, so the matter is close to my heart. I have a number of Adventist friends and family, and whilst I know most of them would say their beliefs are based solely on the Bible, sadly that is not the case. The Adventist worldview has been shaped around the teachings and writings of Ellen G. White. Some Adventists do not even know that her supposed visions are what helped to establish the religion. Her writings are still adhered to today as she claimed to have seen past, present, and future events. Ellen G. White considered herself to be more than a prophet and insisted that the words she wrote were not merely her own opinions but the words of God. She concealed her contradictions of the Bible under the guise of receiving new light that the Bible prophets did not have. The claim of being a prophet cannot be taken lightly, and in order for us not to be deceived, we must be prepared to test the words of any self-proclaimed prophet. 1 John 4:1 Beloved, believe not every spirit, but try the spirits whether they are of God, because many false prophets are gone out into the world. There is no other book in the world like the Bible, as it contains the words of the living God. The Bible has proven itself to be a reliable source of truth. Through the Bible, God has told us everything we need to know. Hebrews 4:12 For the word of God is quick and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart. My hope is that Adventists out there will be prepared to read this book with an open mind so that they can genuinely consider the points raised. If you are not an Adventist but want to know more about their religion, I hope this
