Into The Mouth Of The Wolf Marrone Marrone, 2021-05-17 A terrible thing happened to me Perhaps that is an oversimplification but it will have to do I realized that there were a lot of things going on a lot of loose threads that are untying further Of course I was in a process of magnificent unraveling to realize this I don't recommend trying that by the way Anyhow you are probably aware that everything is a story The irresistible need for denouement may bring a story together but it also unties something else somewhere else All stories all books are born from one another this one is born from the one that came before it They are an infinite and ancient line of irrational call and response Never ending That is until now until it is all tied back together An act of surgical theft cut paste cauterize rebirth This is an epilogue an apocalypse and an alchemical allegory It is a tying together of things to try and stop the unraveling the addiction to the denouement which lurks at the center of contemporary culture at the black heart of all entertainment and all stories including our own
