professionals essential knowledge to keep their practices progressive professional and cutting edge **Dictionary of the Lepcha-language** Albert Grünwedel,1898 *Graph Transformation Algorithms for Array Memory Optimization in Applicative Languages* John Elvin Ranelletti,1987 *Acronyms, Initialisms & Abbreviations Dictionary* Linda Hall,2009 Provides definitions of a wide variety of acronyms initialisms abbreviations and similar contractions translating them into their full names or meanings Terms from subject areas such as associations education the Internet medicine and others are included Peace as a Global Language Hugh Palmer,2016-07-22 This book is comprised of a collection of essays compiled by presenters who attended the annual Peace as a Global Language Conference at Rikkyo University in 2013 which took as its theme Peace and Welfare in the Local and Global Community From civil and community conflict media literacy and music to middle east peacemaking there is something here for all scholars and educators with an interest in peace studies and education **Indonesian Law 1949-1989** Pompe,2023-09-20 This work is unique since it is the first comprehensive bibliography on Indonesian Law listing materials in various languages including Russian Japanese and Chinese The bibliography is divided into various fields of law and each chapter starts with an introduction on the related field The growing economic importance of Indonesia and the increasing trade relations with this country call for an instrument on how to find the law in Indonesia This bibliography will fill this gap as it includes all material on Indonesian law in a non Indonesian language which has been published since 1949 *The World's Major Languages* Bernard Comrie,2017-07-05 This volume features over fifty of the world s languages and language families The featured languages have been chosen based on the number of speakers their role as official languages and their cultural and historical importance Each language is looked at in depth and the chapters provide information on both grammatical features and on salient features of the language s history and cultural role This second edition has been updated and revised Two new languages Amharic and Javanese have been included This accessible volume will appeal to anyone with an interest in linguistics Key features Attention is paid to both grammatical and sociolinguistic features Attention is concentrated on the world s major languages Designed to be accessible to all readers with an interest in language *UNDOC, Current Index* ,1995 *Transmitting Minority Languages* Michael Hornsby,Wilson McLeod,2022-04-13 This book gives fresh insight into the diverse ways in which the transmission of minority and heritage languages is carried out in a range of sociolinguistic contexts When traditional modes of intergenerational transmission begin to break down minority language and diaspora communities resort to other modes of transmission out of necessity to complement traditional mechanisms and secure language maintenance This volume brings together a broad range of studies of these alternative modes of transmission examining the complex and diverse practical ideological and personal challenges that arise in different settings Beyond addressing the dynamics of language use within the home and family the book also emphasises the importance of the participation of the minority community itself in language and cultural transmission These mechanisms and initiatives sometimes overlooked or dismissed in the academic literature will prove to be

essential in maintaining and ensuring the survival of minority and heritage languages into the 21st century and beyond The twelve chapters in the book are divided into four sections intergenerational transmission transmission in post traditional families alternatives to traditional transmission and transmission in diasporic contexts and the language contexts both minoritised and diasporic which are discussed include Basque Breton Galician Guernesais Irish M ori Russian Scottish Gaelic Sorbian and Spanish This book will be of interest to students and scholars of sociolinguistics language acquisition heritage language maintenance and revitalization and language policy and planning

Manufacturing Tibetan Medicine Martin Saxer, 2013-04-01 Within a mere decade hospital pharmacies throughout the Tibetan areas of the People s Republic of China have been converted into pharmaceutical companies Confronted with the logic of capital and profit these companies now produce commodities for a nationwide market While these developments are depicted as a big success in China they have also been met with harsh criticism in Tibet At stake is a fundamental re manufacturing of Tibetan medicine as a system of knowledge and practice Being important both to the agenda of the Party State s policies on Tibet and to Tibetan self understanding the Tibetan medicine industry has become an arena in which different visions of Tibet s future clash

Saturday Review ,1867 *The Teachings of Padmasambhava* Herbert Guenther, 2023-08-21 This study explores the ideas of the enigmatic and controversial visionary known as Padmasambhava It takes as its starting point a unique and hitherto untouched source Padmasambhava s writings preserved in the rNying ma rgyud bum that remain excluded from the standard editions of the Tibetan Tanjur collections to this day The first chapter explains Padmasambhava s holistic background that reflects an anthropocosmic worldview The second chapter deals with the problem of how this anthropocosmic whole becomes enworlded as samsara and of how the enworlded experiencer disentangles himself from it and regains his original wholeness The third chapter assesses Padmasambhava s psychological insights and their hermeneutical interpretations In this study Herbert Guenther discloses the mind of one of the greatest spiritual geniuses in human history Padamasambhava wanderer mystic and one of the original founders of Tibetan Buddhism Here his teachings step out from obscurity to speak with a wonderful clarity In them is found a surprisingly postmodern portrait of how process dynamics self organize to construct and light up our worlds of experience
