Mühlbach, 2023-09-04 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision *An Ode, Elegy, and a Ballad* Lekshmy

Jaya, 2022-12-10 *An Ode Elegy and a Ballad* is a collection covering a wide range of topics from love and life to the natural world When we are head over heels in love we lose all objectivity and give ourselves entirely to the other person We fell in love based on our own preconceived notions and ideals and we sought to mold others to suit our own preferences rather than asking why we can't accept people as they are It's up to us to make our lives better and in doing so we'll undoubtedly add color to the lives of those around us All these love poems are about the fallout from having unrealistic expectations and the ways in which one's life evolves as a result In its pristine state nature is stunning but human activity has disrupted the balance of the natural world Poems about nature range from euphoric descriptions of its wonders to laments over its destruction at the hands of humans The lessons we pick up at different points in our lives shape who we become This is when we arrive at the epiphany that was and is our lives Oftentimes the wisdom and experience reflected in a book's quotations can only be gained through direct experience *A Northern Confederate at Johnson's Island Prison* James Parks

Caldwell, 2014-01-10 A college graduate at 16 and a founder of the Sigma Chi fraternity Caldwell entered the Confederate Army as an artillery lieutenant He fought at Shiloh Port Hudson and other campaigns before being captured in 1863 and imprisoned on Johnson's Island in Lake Erie near Sandusky Ohio He kept a daily diary for 18 months describing the prison food and conditions as well as his classical and intellectual interests The book features letters a poem notes and an index

Slack,1899 [Frederick the Great: His Court and Family](#) Luise Mühlbach,2020-09-28 The palace glittered with light and splendor the servants ran here and there arranging the sofas and chairs the court gardener cast a searching glance at the groups of flowers which he had placed in the saloons and the major domo superintended the tables in the picture gallery The guests of the queen will enjoy to night a rich and costly feast Every thing wore the gay and festive appearance which in the good old times the king s palace in Berlin had been wont to exhibit Jestings and merrymaking were the order of the day and even the busy servants were good humored and smiling knowing that this evening there was no danger of blows and kicks of fierce threats and trembling terror Happily the king could not appear at this ball which he had commanded Sophia to give to the court and nobility of Berlin The king was ill the gout chained him to his chamber and during the last few sleepless nights a presentiment weighed upon the spirit of the ruler of Prussia He felt that the reign of Frederick the First would soon be at an end that the doors of his royal vault would soon open to receive a kingly corpse and a new king would mount the throne of Prussia This last thought filled the heart of the king with rage and bitterness Frederick William would not die he would not that his son should reign in his stead that this weak riotous youth this dreamer surrounded in Rheinsberg with poets and musicians sowing flowers and composing ballads should take the place which Frederick the First had filled so many years with glory and great results Prussia had no need of this sentimental boy this hero of fashion who adorned himself like a French fop and preferred the life of a sybarite in his romantic castle to the battle field and the night parade who found the

tones of his flute sweeter than the sounds of trumpets and drums who declared that there were not only kings by the grace of God but kings by the power of genius and intellect and that Voltaire was as great a king yes greater than all the kings anointed by the Pope What use has Prussia for such a sovereign No Frederick William would not could not die His son should not reign in Prussia destroying what his father had built up Never should Prussia fall into the hands of a dreaming poet The king was resolved therefore that no one should know he was ill no one should believe that he had any disease but gout this was insignificant never fatal A man can live to be eighty years old with the gout it is like a faithful wife who lives with us even to old age and with whom we can celebrate a golden wedding The king confessed to himself that he was once more clasped in her tender embraces but the people and the prince should not hope that his life was threatened
