others with great power hot on his heels The summer solstice battle has come and gone without a true winner so the group decides to destroy him by attacking the source of his power Cabhan prepares as he always does by focusing on the weaknesses of each member which this expert review also details The plot in Shadow Spell weakens a bit however as Cabhan true to his history underestimates the bonds between those he wishes to destroy The novel's true strength is in its portrayal of the budding romance between Connor and Meara The steam emanating from them almost makes the actual good vs evil theme seem like an afterthought and the novel is better for it Picturesque rural Ireland and the dense characters are the true stars in Shadow Spell not the urban fantasy aspect

Blood Magick Nora Roberts, 2014-10-30 Branna O Dwyer has a rich and remarkable life Her little shop in County Mayo is thriving and her close circle of friends and family have found love and happiness But Branna's own heart remains closed to protect herself and the man she loves from a terrible threat She reached out once to Finbar Burke and it almost destroyed them both Fin and Branna have both inherited a gift for magic but Fin shares his blood with an old and terrible enemy And so the two friends have kept their distance both secretly yearning for the impossible That distance has kept them safe and unhappy But as a final battle draws close Branna and Fin are brought irresistibly together And while they succumb to the heat between them there can be no promises for tomorrow
