Shakespeare In The Nineteenth Century

Jill L Levenson, Robert Ormsby

Shakespeare In The Nineteenth Century:

The Globalization of Shakespeare in the Nineteenth Century Krystyna Kujawińska-Courtney, John Moore Mercer, 2003 These essays show how Shakespeare as a cultural commodity was imported appropriated and exploited in countries around the world in the 19th century Essays are grouped by the type of appropriation they emphasize translations and adaptations performances and theater scholarship and criticism or inspirations for visual arts and creative writing

Shakespeare in the Nineteenth Century Gail Marshall, 2012-02-16 An illustrated collection of new essays with valuable reference material on the performance and reception of Shakespeare's plays **Shakespeare Survey**, 2002 Shakespeare Survey is a yearbook of Shakespeare studies and production Since 1948 the books have published the best international scholarship in English and many of the essays have become classics of Shakespeare criticism *Remediating Shakespeare in the Eighteenth and Nineteenth Centuries* Howard Marchitello, 2019-07-01 *Remediating Shakespeare in the Eighteenth and Nineteenth Centuries* analyzes literary remediations of Shakespeare's works particularly those written for young readers This book explores adaptations revisions and reimaginings by Lewis Theobald the Bowdlers the Lambs and Mary Cowden Clarke among others to provide a theoretical account of the poetics and practices of remediating literary texts Considering the interplay between the historical fascination with Shakespeare and these practices of adaptation this book examines the endless attempt to mediate our relationship to Shakespeare Howard Marchitello investigates the motivations behind various forms of remediation ultimately expanding theories of literary adaptation and appropriation **Shakespeare in the Victorian Periodicals** Kathryn Prince, 2011-02-11 Based on extensive archival research *Shakespeare in the Victorian Periodicals* offers an entirely new perspective on popular Shakespeare reception by focusing on articles published in Victorian periodicals Shakespeare had already reached the apex of British culture in the previous century becoming the national poet of the middle and upper classes but during the Victorian era he was embraced by more marginal groups If Shakespeare was sometimes employed as an instrument of enculturation imposed on these groups he was also used by them to resist this cultural hegemony **Shakespeare Survey** Stanley Wells, 1982 Shakespeare Survey is a yearbook of Shakespeare studies and production Since 1948 Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of the previous year's textual and critical studies and of major British performances The books are illustrated with a variety of Shakespearean images and production photographs The current editor of Survey is Peter Holland The first eighteen volumes were edited by Allardyce Nicoll numbers 19-33 by Kenneth Muir and numbers 34-52 by Stanley Wells The virtues of accessible scholarship and a keen interest in performance from Shakespeare's time to our own have characterised the journal from the start For the first time numbers 1-50 are being reissued in paperback available separately and as a set **Shakespeare's Women and the Fin de Siècle** Sophie Duncan, 2016 Sophie Duncan illuminates

iconoclastic performances of Shakespeare's heroines in late Victorian theatre through the celebrity commentary and careers of the actresses who played them Duncan draws on a wealth of archival material to explore the vital ways in which fin de siècle Shakespeare and Victorian theatre culture conditioned each other **India's Shakespeare** Poonam Trivedi And Dennis Bartholomeusz, Poonam Trivedi, 2005 **The Shakespeare Revolution** J. L. Styan, 1983-04-29 This is a succinct and finest history of Shakespeare studies in the nineteenth and twentieth centuries Shakespeare Ronald L. Dotterer, 1989 Seventeen critics are represented in this collection of essays designed to illustrate the vitality and range of traditional and new approaches to Shakespeare studies **Rethinking Popular Culture** Chandra Mukerji, Michael Schudson, 1991-07-09 Rethinking Popular Culture presents some of the most important current scholarship analyzing popular culture Drawing upon recent developments in cultural theory and exciting new methods of critical analysis the essays in this volume break down disciplinary boundaries and offer fresh insight into popular culture After Satan Martine Hennard Dutheil de la Rochère, Kirsten Stirling, 2010-07-12 This volume is the result of a collective desire to pay homage to Neil Forsyth whose work has significantly contributed to scholarship on Satan This volume is after Satan in more ways than one tracing the afterlife of both the satanic figure in literature and of Neil Forsyth's contribution to the field particularly in his major books *The Old Enemy Satan and the Combat Myth* Princeton University Press 1987 revised 1990 and *The Satanic Epic* Princeton University Press 2003 The essays in this volume draw on Forsyth's work as a focus for their analyses of literary encounters with evil or with the Devil himself reflecting the richness and variety of contemporary approaches to the age old question of how to represent evil All the contributors acknowledge Neil Forsyth's influence in the study of both the Satan figure and Milton's *Paradise Lost* But beyond simply paying homage to Neil Forsyth the articles collected here trace the lineage of the Satan figure through literary history showing how evil can function as a necessary other against which a community may define itself They chart the demonised other through biblical history and medieval chronicle Shakespeare and Milton to nineteenth century fiction and the contemporary novel Many of the contributors find that literary evil is mediated through the lens of the Satan of *Paradise Lost* and their articles address the notion raised by Neil Forsyth in *The Satanic Epic* that the literary Devil figures under consideration are particularly interested in linguistic ambivalence and the twisted texture of literary works themselves The multiple responses to evil and the continuous reinvention of the devil figure through the centuries all reaffirm the textual presence of the Devil his changing forms necessarily inscribed in the shifting history of western literary culture These essays are a tribute to the work of Neil Forsyth whose scholarship has illuminated and guided the study of the Devil in English and other literatures *The Oxford Companion to Shakespeare*, *The Oxford Handbook of Shakespeare and Music* Christopher R. Wilson, Mervyn Cooke, 2022 Engages with musical practice in a wide range of countries Offers a cutting edge resource for Shakespeare scholars and musicians alike Sheds light on a crucial and fascinating aspect of Shakespeare studies Book jacket *The Oxford Handbook of Shakespeare* Arthur F. Kinney, 2012

Contains forty original essays *Shakespeare's Victorian Stage* Richard W. Schoch, 1998-08-20 This book explores the revivals of Shakespeare's history plays during the Victorian period as staged by the famous actor manager Charles Kean. Between 1852 and 1859 Kean produced celebrated productions of Henry V, Henry VIII, King John, Macbeth and Richard II, renowned for their unprecedented attention to antiquarian detail in sets, costumes and properties, many of which are shown in the book's illustrations. These productions provided audiences with an unparalleled opportunity to participate in the Victorian obsession with history, especially of the medieval period. Using valuable primary sources including promptbooks, scenic designs, costume sketches and contemporary reviews, Richard Schoch places mid-Victorian attitudes towards the theatre in the context of major intellectual and political movements of the age. The book will be of interest to scholars and students of theatre history, Shakespeare studies and Victorian culture **Shakespeare's 'Lady Editors'** Molly G.

Yarn, 2021-12-09 This bold and compelling revisionist history tells the remarkable story of the forgotten lives and labours of Shakespeare's women editors *The Shakespearean World* Jill L. Levenson, Robert Ormsby, 2017-03-27 The Shakespearean World takes a global view of Shakespeare and his works, especially their afterlives. Constantly changing, the Shakespeare central to this volume has acquired an array of meanings over the past four centuries. Shakespeare signifies the historical person as well as the plays and verse attributed to him. It also signifies the attitudes towards both author and works determined by their receptions. Throughout the book, specialists aim to situate Shakespeare's world and what the world is because of him. In adopting a global perspective, the volume arranges thirty-six chapters in five parts: Shakespeare on stage internationally since the late seventeenth century; Shakespeare on film throughout the world; Shakespeare in the arts beyond drama and performance; Shakespeare in everyday life; Shakespeare and critical practice. Through its coverage, The Shakespearean World offers a comprehensive transhistorical and international view of the ways this Shakespeare has not only influenced but has also been influenced by diverse cultures during 400 years of performance, adaptation, criticism and citation. While each chapter is a freshly conceived introduction to a significant topic, all of the chapters move beyond the level of survey, suggesting new directions in Shakespeare studies such as ecology, tourism and new media, and making substantial contributions to the field. This volume is an essential resource for all those studying Shakespeare, from beginners to advanced specialists *Shakespeare on the German Stage: Volume 1, 1586-1914* Simon Williams, 2004-11-11 Professor Williams focuses on the classical period of German literature and theatre when Shakespeare's plays were first staged in Germany in a relatively complete form and when they had a potent influence on the writings of German drama and dramatic criticism.

Shakespeare in the Media Stefani Brusberg-Kiermeier, 2010 This collection of critical essays and interviews gives an overview of the various kinds of medial manifestations which Shakespeare's work has been transferred into over the centuries: into a theatrical performance, a printed text, a painting, an opera, an audio book, a film, a radio or television drama, a website. On the whole, this overview also provides a history of the general development of Shakespearean media. Practitioners

as well as scholars focus on the strengths and weaknesses the possibilities and limitations of each medium with regard to the representation of Shakespeare's work

Unveiling the Magic of Words: A Review of "**Shakespeare In The Nineteenth Century**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance.
