Shame How America S Past Sins Have Polarized Our Country:

Shame Shelby Steele, 2015-02-24 The United States today is hopelessly polarized the political Right and Left have hardened into rigid and deeply antagonistic camps preventing any sort of progress Amid the bickering and inertia the promise of the 1960s when we came together as a nation to fight for equality and universal justice remains unfulfilled As Shelby Steele reveals in *Shame* the roots of this impasse can be traced back to that decade of protest when in the act of uncovering and dismantling our national hypocrisies racism sexism militarism liberals internalized the idea that there was something inauthentic if not evil in the America character Since then liberalism has been wholly concerned with redeeming modern American from the sins of the past and has derived its political legitimacy from the premise of a morally bankrupt America The result has been a half century of well intentioned but ineffective social programs such as Affirmative Action Steele reveals that not only have these programs failed but they have in almost every case actively harmed America s minorities and poor Ultimately Steele argues post 60s liberalism has utterly failed to achieve its stated aim true equality Liberals intending to atone for our past sins have ironically perpetuated the exploitation of this country s least fortunate citizens It therefore falls to the Right to defend the American dream Only by reviving our founding principles of individual freedom and merit based competition can the fraught legacy of American history be redeemed and only through freedom can we ever hope to reach equality Approaching political polarization from a wholly new perspective Steele offers a rigorous critique of the failures of liberalism and a cogent argument for the relevance and power of conservatism **Jesus Come**

Revive America Dr. Debra J. Dean, 2023-02-01 *Jesus Come Revive America* answers the question Where are all the Christians and moves beyond the apparent decline of morality in the country to a call of action for Christians to emerge with boldness courage and prayer for awakening The author also emphasizes that the most important decision a person will make in their entire life is to follow Jesus That one decision determines their future That one decision will determine if they spend eternity in heaven or in hell She considers questions such as Are we living in a world of wickedness that is worse than Sodom and Gomorrah Why has there been such a decline in common sense and morality over the past decade Is there one sin worse than all other sins that will prohibit a person from going to heaven This book is a user friendly approach to reading the Bible understanding historical events and practically implementing the Bible s teachings in today s world It incorporates archeology anthropology geography history philosophy sociology and theology to help Americans prepare for the next Great Awakening The author wrote the book with much prayer for divine wisdom to emerge on the pages for each reader Dr Debra J Dean a faithful follower of Jesus expands on the lives of regular people like Esther and Gideon along with the Apostle Paul and Jesus Christ to highlight how they were bold and courageous In doing so she reveals how we can apply the same zeal for God today as we prepare for revival and learn to live a holy lifestyle The author is also a co founder of His Kingdom Matters ministry whose vision is that we will unite as a community of believers to support and equip one another while fulfilling the

Great Commission Matthew 28 16 20 and the Greatest Commandment Matthew 22 36 40 In doing so a spiritual revival will spread like wildfire across the globe like never before seen as souls are saved and lives are touched by Kingdom members in practical and miraculous ways His Kingdom Matters <http://hiskingdommatters.com> <https://www.drdebradean.com> **The Routledge History of Emotions in the Modern World** Katie Barclay, Peter N.
