read before you buy the refrigerator It is meant to be an aid to anyone who is going to buy a new refrigerator or who has  
questions about one just purchased It contains suggestions about what to look for as well as what to avoid when buying a  
refrigerator People who would find this book helpful include people buying a new refrigerator people remodeling a kitchen  
landlords home economics teachers and perhaps realtors Chapter topics include buying a refrigerator making sure house is  
suitable and handling no cool situations The book can help you avoid mistakes I see every day as a refrigerator repair  
technician It is the result of years of experience repairing and seeing the same mistakes in installation purchasing and care  
day after day Many of these mistakes result in service calls which cost you the consumer directly or indirectly My belief is  
that over the life of the refrigerator you will save a lot more than the cost of this book if you use the information it contains
