An Intersectional Guide for Male Survivors of Sexual Abuse and Their Allies Jeremy Sachs, 2025-07-15 Few experiences carry more shame stigma and misunderstanding than the life altering trauma of sexual abuse Men who experience sexual abuse and rape often find themselves marginalised and isolated yet there are few resources available for them or those who support them This book

examines the impact of sexual abuse on different men through an intersectional lens exploring how their unique identities circumstances and society's views affect their recovery or compound their trauma Each chapter addresses a topic chosen by hundreds of male survivors who have attended the author's recovery groups It includes survivor testimonies signposts to resources and reflective activities to help manage the aftermath of sexual trauma With statutory services such as the criminal justice system often failing male survivors the book draws on Transformative Justice principles to suggest alternative ways for men to break cycles of trauma and move forward with their lives Aimed at male survivors and those who support them counsellors psychotherapists social workers family members and loved ones this book offers guidance and hope for navigating a path to healing

A Christian Guide to Sexual Counseling Mary Ann Mayo, 2003-01-17 Sexual counseling is not a task that pastors and general Christian counselors usually consider theirs If one is to venture into the field he or she must have a solid foundation of reliable information both physiological and psychological and confidence that caring intervention will make a difference This book has been written to provide reliable information and also building a basis of confidence for Christian counselors A Christian Guide to Sexual Counseling offers counselors procedures for helping couples with sexual problems by first exploring the ambivalent messages that church and culture have conveyed about sexuality Because the primary sex organ of both the male and the female is the mind attitudes and concepts must be scrutinized weighed and approved or disapproved As the author so forcefully maintains sexual counseling will always be trying to repair distortions if sound sex education does not become a priority for the church Many contemporary Christians are wary of sex therapy because of the notoriety of charlatans and pop sex psychologists But faddish theories do not comprise the basis for the mainstream of sex therapy There are sound biological and psychological bases for sexual counseling And Christian spirituality is not or should not be disjoined from treatment of sexual problems So Mayo brings body mind and spirit together in her assessment of the common problems and the appropriate treatments The book includes discussions of the following areas attitudes of the church toward sexuality the responsibility of Christian leaders to offer positive teaching normal sexual functioning common sexual problems in a marriage the role and possible outcomes of sexual counseling female problems male problems special concerns for singles premarital education

[Handbook for Conducting Research on Human Sexuality](#) Michael W. Wiederman, Bernard E. Whitley, Jr., 2012-12-06 Human sexuality researchers often find themselves faced with questions that entail conceptual methodological or ethical issues for which their professional training or prior experience may not have prepared them The goal of this handbook is to provide that guidance to students and professionals interested in the empirical study of human sexuality from behavioral and social scientific perspectives It provides practical and concrete advice about conducting human sexuality research and addresses issues inherent to both general social scientific and specific human sexuality research This comprehensive resource offers a unique multidisciplinary examination of the specific methodological issues inherent in conducting human sexuality research The methodological techniques and advances that are familiar to researchers trained in one discipline are often unfamiliar to researchers from other disciplines This book is intended to help enrich the communication between the various disciplines involved in human sexuality research Each of the 21 self standing chapters provides an expert overview of a particular area of research methodology from a variety of academic disciplines It addresses those issues unique to human sexuality research such as how to measure sexuality variables how to design studies recruit participants and collect data how to consider cultural and ethical issues and how to perform and interpret statistical analyses This book is intended as a reference tool for researchers

and students interested in human sexuality from a variety of disciplines including psychology sociology family science health communication nursing medicine and anthropology

The Handbook of Sexuality in Close Relationships John H. Harvey, Amy Wenzel, Susan Sprecher, 2004-04-26 Although sexuality is an integral part of close romantic relationships research linking these two constructs has been less systematic than other areas pertaining to close relationships To date researchers in communication sociology family studies psychology and psychiatry have made significant advances in both of these fields The editors goal is to integrate this research into one volume They bring together major scholars from the diversity of fields working on close relationship topics to examine past contributions and new directions in sexuality The emphasis is on theoretical integration and stimulation methodological rigor and critical analysis This volume explores early sexual experiences and their impact on late life sexuality how life stresses impact sexuality and satisfaction with closeness the affect of postpartum depression on sexuality and the relationship between control power anger as well as revenge and sexual processes in couples The Handbook of Sexuality in Close Relationships is intended for students and researchers in the disciplines of social clinical developmental and health psychology family studies counseling and interpersonal family and health communication An excellent reference in advanced courses in close relationships taught in psychology communications sociology anthropology and family studies the material in Part V will also appeal to clinical psychologists health professionals and policymakers
