some of his personal struggles but with the struggles of the downtrodden as well specifically the descendants of Africans and Native Americans Identifying with the underdog his poetry is both politically motivated and spiritually grounded in self improvement and while sometimes angrily provocative and controversial his poetry expresses love and hope towards a better future Schorjun Errol Rollins,2022-10-17 There are much highly charged moments where emotions soar and tension rises in the fictional private learning institution Situations become belligerent where fear and anxiety grip many Both adults and the young become overwhelmed by antagonistic outbursts It had become perennial with no end in sight There are occasions when staff attempt to resolve the antagonism but attempts were ineffective It seems a malaise with a need for leadership change to bring order and normalcy quickly but that appears evasive and the situation was definitely affecting the morale of many It was a challenge operating in such a corrosive environment which ought to have been one conducive to the growth and development of the mind intellect and body of the youth but that was elusive to a large extent *Saving the Subject* Cameron M. Fathauer JD,2024-08-27 In his debut book *Saving the Subject* Cameron Fathauer paints a spiritual odyssey following his traumatic brain injury with vividness and vulnerability capturing both the weight of his physical trials and the depth of his reflections Previously aspiring to be a minister Fathauer s path was radically altered when he was hit by a car as a pedestrian steering him to the legal profession and reshaping his identity journey Beyond the author himself the narrative features an unexpected array of characters including triplet toddlers legal scholars and the infamous Unabomber More than a memoir this remarkably layered work engages the identity question through a smorgasbord of distinct but ingeniously connected themes of trauma family and faith To discover how these elements weave together you ll have to explore the pages yourself Fathauer has taken a leap of faith by publishing a book that quite literally puts his darkest moments on public display Yet he does so with the confidence that this open book vulnerability will illuminate a deeply personal and transformative light for his readers as it has for himself Werner's Voice Magazine Edgar S.
