acclaimed author Richard Rodriguez Loya ultimately found that he wasn't alone in his struggle to discover his identity and that anger is sometimes the doorway toward realizing one's self and one's purpose. Although the images that propel an angry young man toward a life of crime may leave readers shuddering, the power of Joe Loya's incredible story will surely remind us that we must not lose hope that wayward sons and daughters may one day return home. *True Confessions* Michael Fanelli, 2020-01-27. No matter where we find ourselves in life, we can find hope. Despite our failures, letdowns, or disappointments along the way, we cannot ever give up. We have all experienced some kind of failure; life is full of it. I hope my story can inspire others and show that anything is possible to those who have hope and believe in themselves.
