The Spirit of Villarosa: A Father's Extraordinary Adventures; A Son's Challenge Horace Ashton, Marc Ashton, 2018-11-07

When Marc Ashton was kidnapped, thoughts of his famous father, Horace Dade Ashton, filled his mind. The elder Ashton became a founding member of the Explorers Club and showed his passion for adventure by visiting many perilous yet captivating corners of the world at a time when travel was not easy. Marc believed the key to his escape lay in his father's exploits. Dubbed the original Indiana Jones, the elder Ashton shared his journeys through his countless lectures, films, prize-winning photographs, and writing. In 1940, he became the cultural attaché to the U.S. embassy in Haiti and moved his young family to the island where they remained until 2001. The Spirit of Villarosa is a glorious account of Horace Ashton's remarkable adventures juxtaposed with Marc Ashton's own harrowing captivity by armed drug-crazed thugs seeking a staggering ransom. The Spirit of Villarosa would make an exciting adventure novel because it's a true story, making it all the more exhilarating.

The Father-Daughter Plot Rebecca L. Copeland, Esperanza Ramirez-Christensen, 2001-07-31

This provocative collection of essays is a comprehensive study of the father-daughter dynamic in Japanese female literary experience. Its contributors examine the ways in which women have been placed politically, ideologically, and symbolically as daughters in a culture that venerates the father. They weigh the impact that this daughterly position has had on both the performance and production of women's writing from the classical period to the present. Conjoining the classical and the modern with a unified theme reveals an important continuum in female authorship, a historical approach often ignored by scholars. The essays devoted to the literature of the classical period discuss canonical texts in a new light, offering important feminist readings that challenge existing scholarship, while those dedicated to modern writers introduce readers to little-known texts with translations and readings that are engaging and original.
