The Cambridge Companion to the Irish Novel John Wilson Foster, 2006-12-14 The Irish novel has had a distinguished history It spans such diverse authors as James Joyce George Moore Maria Edgeworth Bram Stoker Flann O'Brien Samuel Beckett Lady Morgan John Banville and others Yet it has until now received less critical attention than Irish poetry and drama This volume covers three hundred years of Irish achievement in fiction with essays on key genres themes and authors It provides critiques of individual works accounts of important novelists and histories of sub genres and allied narrative forms establishing significant social and political contexts for dozens of novels The varied perspectives and emphases by more than a dozen critics and literary historians ensure that the Irish novel receives due tribute for its colour variety and linguistic verve Each chapter features recommended further reading This is the perfect overview for students of the Irish novel from the romances of the seventeenth century to the present day **A Cultural History of the Irish Novel, 1790-1829** Claire Connolly, 2011-11-17 Claire Connolly offers a cultural history of the Irish novel in the period between the radical decade of the 1790s and the gaining of Catholic Emancipation in 1829 These decades saw the emergence of a group of talented Irish writers who developed and advanced such innovative forms as the national tale and the historical novel fictions that took Ireland as their topic and setting and which often imagined its history via domestic plots that addressed wider issues of dispossession and inheritance Their openness to contemporary politics as well as to recent historiography antiquarian scholarship poetry song plays and memoirs produced a series of notable fictions marked most of all by their ability to fashion from these resources a new vocabulary of cultural identity This book extends and enriches the current understanding of Irish Romanticism blending sympathetic textual analysis of the fiction with careful historical contextualization Fiction, Famine, and the Rise of Economics in Victorian Britain and Ireland Gordon Bigelow, 2003-11-20 We think of economic theory as a scientific speciality accessible only to experts but Victorian writers commented on economic subjects with great interest Gordon Bigelow focuses on novelists Charles Dickens and Elizabeth Gaskell and compares their work with commentaries on the Irish famine 1845-1852 Bigelow argues that at this moment of crisis the rise of economics depended substantially on concepts developed in literature These works all criticized the systematized approach to economic life that the prevailing political economy proposed Gradually the romantic views of human subjectivity described in the novels provided the foundation for a new theory of capitalism based on the desires of the individual consumer Bigelow's argument stands out by

showing how the discussion of capitalism in these works had significant influence not just on public opinion but on the rise of economic theory itself

Irish Novels 1890-1940 John Wilson Foster,2008-02-21 Studies of Irish fiction are still scanty in contrast to studies of Irish poetry and drama Attempting to fill a large critical vacancy Irish Novels 1890 1940 is a comprehensive survey of popular and minor fiction mainly novels published between 1890 and 1922 a crucial period in Irish cultural and political history Since the bulk of these sixty odd writers have never been written about certainly beyond brief mentions the book opens up for further exploration a literary landscape hitherto neglected perhaps even unsuspected This new landscape should alter the familiar perspectives on Irish literature of the period first of all by adding genre fiction science fiction detective novels ghost stories New Woman fiction and Great War novels to the Irish syllabus secondly by demonstrating the immense contribution of women writers to popular and mainstream Irish fiction Among the popular and prolific female writers discussed are Mrs J H Riddell B M Croker M E Francis Sarah Grand Katharine Tynan Ella MacMahon Katherine Cecil Thurston W M Letts and Hannah Lynch Indeed a critical inference of the survey is that if there is a discernible tradition of the Irish novel it is largely a female tradition A substantial postscript surveys novels by Irish women between 1922 and 1940 and relates them to the work of their female antecedents This ground breaking survey should also alter the familiar perspectives on the Ireland of 1890 1922 Many of the popular works were problem novels and hence throw light on contemporary thinking and debate on the Irish Question After the Irish Literary Revival and creation of the Free State much popular and mainstream fiction became a lost archive

neglected evidence indeed of a lost Ireland **The Field Day Anthology of Irish Writing** Seamus Deane, Andrew Carpenter, Angela Bourke, Jonathan Williams, 1991 *The Oxford History of the Irish Book, Volume V* Clare Hutton, Patrick Walsh, 2011-06-23 Part of a series providing an authoritative history of the book in Ireland this volume comprehensively outlines the history of 20th century Irish book culture This book embraces all the written and printed traditions and heritages of Ireland and places them in the global context of a worldwide interest in book histories Sean O'Faolain's Irish Vision Richard Bonaccorso, 1987-07-01 This book examines the personality cultural inheritance social commentary literary art and representative qualities of Sean O Faolain dean of modern Irish literature It updates O Faolain s significance as a world class writer and reinterprets his career of over fifty years from a universalist perspective It also explores O Faolain s vital relationship with his native culture conceiving him as representative Irish writer self conscious Irishman and Irish citizen of the world *Spy Fiction, Spy Films and Real Intelligence* Wesley K. Wark, 2013-09-13 This book won the Canadian Crime Writers Arthur Ellis Award for the Best Genre Criticism Reference book of 1991 This collection of essays is an attempt to explore the history of spy fiction and spy films and investigate the significance of the ideas they contain The volume offers new insights into the development and symbolism of British spy fiction *British Books* ,1908
