**EBOOK: Quality in Early Childhood Services - An International Perspective** Helen Penn,2011-01-16 This book examines how quality and good practice in early childhood education and care ECEC is interpreted and implemented in a variety of settings and circumstances Drawing on her experience of research and policy making in a wide variety of countries the author considers the variety of rationales that inform services for early childhood education and care Services are organized financed and delivered in many different ways across the world The policies that have been adopted by governments and the resources which are made available for implementing them have shaped practice On the one hand there are complex ideas about what children should be learning and how they should be learning These

ideas about curriculum and the training of teachers and carers may differ radically between countries On the other hand policies have been prompted by the need to reconcile family and work obligations and to provide childcare to support working mothers irrespective of educational concerns The notions of economic competition and parental choice have led to the growth of private for profit childcare services which promote a particular view of quality and achievement Above all growing inequality within countries and between rich and poor countries have undermined attempts to provide good quality services In an unfair world the impact of any services is likely to be distorted The book charts the many different approaches to understanding and measuring quality and gives an exceptionally well informed overview     The Home School Manual Theodore E. Wade,1998     Linking Assessment and Early Intervention Stephen J. Bagnato,John T. Neisworth,Susan M. Munson,1997 A natural progression from the authors widely known work on assessment and programming in early intervention LINK is a revolutionary process that hurdles traditional obstacles to selecting and using authentic assessment intervention evaluation procedures for young children Pulling the best properties from well known assessment and curriculum models LINK identifies critical markers for judging quality and effectiveness authenticity collaboration convergence equity sensitivity and congruence The authors apply this unique six standard index to more than 50 different curriculum embedded and curriculum compatible assessment and intervention systems rating and analyzing each In addition they explain how early childhood professionals can perform their own quality reviews and then customize the system s of their choice to specific populations or programs With this essential resource in hand early intervention team members and administrators can ensure the individualized support opportunities every child needs for healthy development     **Illinois Annual Performance Report** Illinois. Department of Human Services,2008     *Visible Learners* Mara Krechevsky,Ben Mardell,Melissa Rivard,Daniel Wilson,2013-06-03 A progressive research based approach for making learning visible Based on the Reggio Emilia approach to learning Visible Learners highlights learning through interpreting objects and artifacts group learning and documentation to make students learning evident to teachers Visible classrooms are committed to five key principles that learning is purposeful social emotional empowering and representational The book includes visual essays key practices classroom and examples Show how to make learning happen in relation to others spark emotional connections give students power over their learning and express ideas in multiple ways Illustrate Reggio inspired principles and approaches via quotes photos student and teacher reflections and examples of student work Offer a new way to enhance learning using progressive research based practices for increasing collaboration and critical thinking in and outside the classroom Visible Learners asks that teachers look beyond surface level to understand who students are what they come to know and how they come to know it     **American Doctoral Dissertations** ,1991
