Too Brief A Candle:

Brief Candles 2: More One-Match Wonders Keith Walmsley, 2016-11-01 This second volume of Brief Candles once again looks at the lives in and out of cricket of a batch of players who flickered only briefly on the first class scene Most earn their inclusion because of an unusual achievement that they recorded during their brief careers at that level So you can read here about the five cricketers who played an innings in the 90s in their debut game and the five who shared in century partnerships on debut when batting at number 11 and yet none of them was ever picked again Others are included because of something that happened to them during their one and only first class matches like the three cricketers who were no balled for throwing on their debuts whereupon they disappeared from the first class game altogether Another two earn their appearance because of a pair of unhappy coincidences though unrelated they shared the same unusual surname and both met their deaths in the most tragic of circumstances And finally there s the clergyman who played his only first class match when just six months short of his 60th birthday Brief Candles 2 explores the lives of these and some others who deserve to be better remembered for their unusual if very short contributions to the history of the first class game **Out, Out, Brief**

David, When death hits the rewind button on your life what would you change For Sarah Jane Ashford it would be her passionate but tumultuous marriage to her high school sweetheart Sam Her life meets a tragic end when the impact from a car accident dislodges her soul and propels her into the past Sarah dies on Cahill Expressway in her thirties and reawakens under the watchful eyes of her Boys II Men poster at age seventeen Believing this sojourn into 1994 was an opportunity to rebuild her flawed relationship with Sam she attempts to address the issues that began in the early days of courtship A simple plan if it weren t for a celestial gag on topics regarding time travel an ex best friend with a life altering secret and a rekindled friendship with Marcus a boy she had dismissed as a mere acquaintance in high school It is only by reliving her teen years through adult eyes that Sarah can confront her own shortcomings alter her destiny and become the woman she was **Brief Candles** Aldous Huxley, 2025-07-08T00:00:00Z

Brief Candles: McMaster, Hyland and Other One-Match Wonders Keith Walmsley, 2012-10-01 Playing in a first class match gives a cricketer a certain cachet For ever after opponents know that such and such played big cricket and will expect him to perform accordingly Even when his achievements lie elsewhere biographers and obituarists will sagely note his appearances however limited and readers will infer that the subject has a special talent for the game Nine thousand cricketers have played in just one first class match but for some their one appearance was more memorable than for others for good reasons or otherwise In 1924 Fred Hyland spent less than ten minutes on the field of play before rain washed out

the game Poor Josiah Coulthurst didn't even step onto the playing area in a damp Lancashire contest in 1919 Emile McMaster's only match in South Africa in 1889 was later awarded Test match status Bob Richards playing for Essex at Leyton in 1970 didn't learn till afterwards that his solitary appearance was a first class game Nobody can now be sure who was the Wilkinson who played a match at Oxford in 1939 Some one match wonders have achieved much in their brief days in front of the cricket watching public centuries even and eight fifties others have gone on to exceptional achievements in fields sporting political and military Keith Walmsley reports on the struts and frets of some players who appeared just once on the first class stage and then were heard no more
