Angels in Disguise Dolores H. McNany Edd Rn,2011-07 School nurses serve on the front lines of the everyday struggle for our children s health yet they are often perceived as little more than glorified dispensers of bandages This false perception held by many parents officials and administrators does a serious disservice to this dedicated group of health professionals *Angels in Disguise* tells the oral history of school nursing through the eyes ears and hearts of school nurses serving throughout the United States By sharing their personal experiences these nurses illustrate their love and compassion and throw the doors wide open on this often undervalued profession enabling readers to see into their world and understand how much they truly care for the children they treat This collection of heartwarming stories offers unique insight into the daily responsibilities and duties of school nurses and serves to raise public awareness of the dedication leadership and exemplary pediatric health care provided by the devoted women and men who care for America s schoolchildren The sophisticated medical health care required in schools today can only be delivered by qualified professional school personnel and that challenge is met by having a school nurse in every school facility
