## **Top Notch Workbook Second Edition:**

**THE YOGA THERAPY HANDBOOK - BOOK FOUR - REVISED SECOND EDITION** ROGER MARTIN DAVIS, ADISA M. OMAR, 2015-03-27 The long awaited revised 2nd edition of The Yoga Therapy Handbook has arrived It is greatly expanded colorful and much more descriptive than the original edition from 2007 The new version is contained in four distinct volumes Book 1 4 that are being sold separately with an a la cart styling so readers can pick and choose from what works best for them as either a novice beginner or advanced Yoga therapist Perhaps what is most intriguing though about this 2nd edition is that in the interim period the author made a dramatic and controversial decision to embrace Al Islam Accordingly this edition wrestles with those quintessential elements that make a comparative religion flow to this text quite different than any other Yoga therapy book on the market today The author also revives his review of the multicultural expressions as well in both Yoga Science and meditation practices The creative artistic flair of the illustrator Sue Jeong Ka is still woven into the fabric of this text This Fine Artist who is originally from South Korea ROK now lives and works in the USA New York City Surely her talents have expanded since the first edition and we hope with the print edition to follow she add some new illustrations to enliven this text

Introduction to Emergency Evacuation Jim Burtles KLJ, Jim Burtles KLJ, MMLJ, Hon FBCI, 2016-07-22 When it's not just a drill you need to get it right the first time. If an emergency alert sounds, are you ready to take charge and get everyone out of the office, theatre, classroom or store safely? In *Introduction to Emergency Evacuation: Getting Everybody Out When it Counts* Jim Burtles explains the practical basics of understanding your site, planning escape routes and providing for people with special needs. When minutes count you will be ready to take action. From 30 years of working with organizations like yours Burtles knows the challenges you face. He tells you what you need to know as you plan to evacuate people of all ages and health conditions, whether it's from small offices, skyscrapers, stores, industrial plants, hospitals, college campuses or other venues. In this short book Burtles tells you how to analyze the site, identifying escape routes and assembly areas. Select and train emergency response teams who will be ready to assist when needed. Calculate the amount of time to allow to evacuate people from different locations using the author's own proven formula. Anticipate the personal needs of people who have been suddenly evacuated: from coats to transportation to medical assistance. Learn the needs and limitations of people with disabilities, creating personal evacuation plans for them. Create signage that will be effective for anyone who will be in the area, from workers to customers to visitors. Communicate during the emergency. Check and double check to make sure nobody is left behind. Finally, to save you time in your emergency planning, Burtles ends the book with a bonus comprehensive Emergency Evacuation Checklist containing the essentials you need to make sure your plan covers everything you need.

The Manager's Guide to Bullies in the Workplace Vali Hawkins Mitchell, 2016-07-15 As a manager you can usually handle disruptive employees. But sometimes their emotional states foster workplace tension, even making them a danger to others. Your own confidence is at risk. In *The Manager's Guide to Bullies in the Workplace: Coping with Emotional Terrorists*, noted counselor Dr. Vali Hawkins Mitchell gives you sensible advice for keeping the bully from dominating the workgroup and destroying productivity, and maintaining your own healthy emotional balance at the same time. Sometimes the difficult person is an overt physical bully, which makes it easy to simply fire the person. Much of the time, however, the problems are more subtle and build up over periods of time. They undermine your ability to manage your team, and they can spread to the rest of the team, destroying teamwork and productivity. In this short book Dr. Vali helps you to recognize the types of upsetting work situations that bullies exploit to their own advantage, such as change, grief and violence. Understand why emotional terrorists make it so difficult for you as a manager to deal with their behavior. See the symptomatic tools and

techniques of the emotional terrorist such as harassment lying to supervisors tampering with documents etc Conduct training to help other managers and team members recognize and handle the signs of impending emotional conflict you will love the Snakes in the Schoolyard exercise Know exactly what to say and not say when you must have a one on one interview with someone you consider to be a bully Be an effective manager in a world of challenges protecting and preserving the mental health of your employees and yourself Dr Vali uses realistic examples and humor to help you handle the challenges you face and to show the degree to which she really understands your situation With her guidance you will be more comfortable with knowing when you can handle the situation through simply being the good manager when you need to call in an outside mental health professional and when you need to call 911
