Maynard,2022-06-23 After hearing the Reverend Jason Lee describe the wonders of the Pacific Northwest in 1838 and declaring it was the United States Manifest Destiny to claim the Northwest for God and Country sixteen year old Thomas Merriman begins planning his own destiny At age eighteen as part of the Bidwell Bartleson Party one of the first wagon trains to cross the Oregon Trail Thomas leaves Independence Missouri for Oregon with the goal of making a land claim establishing a sawmill and building a home for his future wife who will follow along with his brother in two years You could say Thomas s life in the Oregon Country was extraordinary but not the stuff of legends until the morning of September 13 1902 when at the age of seventy nine he hitched up his wagon and headed east into an oncoming fire to help save the lives of his neighbors and friends The fire now known as the Yacolt Burn was one of the largest forest fires in US history This is the story of Thomas Merriman hero of the Yacolt Burn Magda's Daughter Evi Blaikie,2003 To survive the long shadow of the Third Reich many children were placed in hiding forced to keep their true identities names religion places of birth even gender secret Among these hidden

children was Evelyne Juliette born in Paris to privileged Hungarian immigrants of high intellect and great passion. Scarcely a year following her birth, France would fall to the Nazis, plunging Europe further into chaos and placing Evi's family among hundreds of thousands on the run. Her father forced to go underground, never again emerged. Her mother, the indomitable Magda, managed to send her young daughter to temporary safety before being imprisoned in a forced labor camp. Evi, just barely three, was eventually brought by an aunt to Budapest under her cousin's passport. Claude Pollak would be only the first of many false identities assumed to protect the shattered remnants of this young child's life. Brimming with novelistic detail, vivid characterizations, and a sharply observed emotional terrain, *Magda's Daughter* depicts in the words of the author herself the life of a perpetual refugee forced by historical circumstance to live in rootless exile while yearning for something she never really knew. Evi Blaikie, a gifted storyteller, writes against the limits of language and defies traditional definitions of survivorship while reminding us that no war is ever over until the last survivor is gone.
