**Habits of the Heartland** Lyn C. Macgregor, 2013-09-15 Although most Americans no longer live in small towns images of small town life and particularly of the mutual support and neighborliness to be found in such places remain powerful in our culture In *Habits of the Heartland* Lyn C Macgregor investigates how the residents of Viroqua Wisconsin population 4 355 create a small town community together Macgregor lived in Viroqua for nearly two years During that time she gathered data in public places attended meetings volunteered for civic organizations talked to residents in their workplaces and homes and worked as a bartender at the local American Legion post Viroqua has all the outward hallmarks of the idealized American town the kind of place where local merchants still occupy the shops on Main Street and everyone knows everyone else On closer examination one finds that the town contains three largely separate social groups Alternatives Main Streeters and Regulars These categories are not based on race or ethnic origins Rather social distinctions in Viroqua are based ultimately on residents ideas about what a community is and why it matters These ideas both reflect and shape their choices as consumers whether at the grocery store as parents of school age children or in the voting booth Living with and listening to the town s residents taught Macgregor that while traditional ideas about community especially as it was connected with living in a small town still provided an important organizing logic for peoples lives there were a variety of ways to understand and create community **Habits of the Heartland** Lyn Christine Macgregor, 2005 **Edgar & Susan** Moses

Pate, 2014-02 A young crow was trapped under vines and briars because I had pushed his tree over He screamed in terror as I wrestled him from the tangle His family that had been circling and cawing overhead flew away leaving me wondering what to do with this magnificent bird He couldn t fly so I knew that he wouldn t survive I was obliged to help I determined to care for him until he could fly away on his own so I took him home After letting him out of a box he was so frightened that he banged up nearly everything in the kitchen Reluctantly I stuffed him into a makeshift cage The next morning he met my beautiful wife Susan and that was the beginning of one of the strangest and most amazing relationships you ll ever hear about He was never meant to be a pet he was supposed to fly away but he chose to stay The next eight months was like living in our own personal Disney movie Our days were filled with love laughter surprises and good times This is an astonishing pet and love story but we weren t over the rainbow we had some bad times too but we learned that unshakable young love sees only optimism This is a beautiful book that made me laugh out loud and cry This is more than a story about a mischievous bird It s about a young couple who learned about love parenting and each other through an unlikely character Lisa Fabrizio Director and Professor of Massage Therapy and Healing Arts [Motorcycling in California's Central Valley](#) Stewart Barber Sr. and David R.
