Porn Studies Linda Williams, 2004 In her pioneering book *Hard Core* Linda Williams put moving image pornography on the map of contemporary scholarship with her analysis of the most popular and enduring of all film and video genres Now fifteen years later she showcases the next generation of critical thinking about pornography and signals new directions for study and teaching *Porn Studies* resists the tendency to situate pornography as the outer limit of what can be studied and discussed With revenues totaling between ten and fourteen billion dollars annually more than the combined revenues of professional football basketball and baseball visual hard core pornography is a central feature of American popular culture It is time Williams contends for scholars to recognize this and give pornography a serious and extended analysis The essays in this volume move beyond feminist debates and distinctions between a good erotica and a bad hard core Contributors examine varieties of pornography from the tradition of the soft core pin up through the contemporary hard core tradition of straight gay and lesbian videos and dvds to the burgeoning phenomenon of pornography on the Internet They explore as examples of the genre individual works as divergent as *The Starr Report* the pirated Tommy Lee Pamela Anderson honeymoon video and explicit Japanese ladies comics consumed by women They also probe difficult issues such as the sexualization of race and class and the relationship of pornography to the avant garde To take pornography seriously as an object of analysis also means teaching it *Porn Studies* thus includes a useful annotated bibliography of readings and archival sources important to the study of pornography as a cultural form Contributors Heather Butler Rich Cante Jake Gerli Minette Hillyer Nguyen Tan Hoang Despina Kakoudaki Franklin Melendez Ara Osterweil Zabet Patterson Constance Penley Angelo Restivo Eric Schaefer Michael Sicinski Deborah Shamoon Maria St John Tom Waugh Linda Williams *Daddy's Big Black Stack* Sara Kitty, 2022-10-18 Ten stories of BRATS getting the BBC they crave Stories included Brat s First BBC Brat submits to the BBC Brats wants BBC Dark Alley BBC Big Black Rocks Big Black Daddy Big Black Steel Big Blackmail Big Black Share Daddy s BBC needs Warmth Dubcon Dubious Consent Taboo Forced Submission Sex Hardcore Rough Sex Gangbang Ganged Group Sex Gang Bang menage threesome interracial sex stories Black Man White Woman sex Big Black Size Queen Erotica BBC sex BMW Age Difference Older Man Younger Woman sex age gap love forbidden romance virgin first time sex daddy kink stepdad erotica stepdaughter sex erotica short stories erotica box set short sex stories *The World Split Open* Ruth Rosen, 2013-02-05 In this enthralling narrative the first of its kind historian and journalist Ruth Rosen chronicles the history of the American women s movement from its beginnings in the 1960s to the present Interweaving the personal with the political she vividly evokes the events and people who participated in our era s most far reaching social revolution

**Blackness and Sexualities** Michelle M. Wright, Antje Schuhmann, 2007 With contributions from leading scholars from various disciplines this title offers analyses and critiques that span three continents and looks at topics such as the secret marketing of black female pornography to white American men and the eroticization of colonial legacies in contemporary

German media      **The Cambridge Companion to Richard Wright** Glenda Carpio,2019-03-21 Shows Wright s art was intrinsic to his politics grounding his exploration of the intersections between race gender and class      *Watching Porn* Lynsey G,2017-06-06 Lynsey G is an intrepid explorer boldly going where few reporters have gone with such a critical eye deep inside the real world of commercial sex Tina Horn host of the Why Are People Into That podcast Lynsey G never imagined that she would ever work in porn but at twenty four years old with a degree in English literature and an empty bank account she found herself reviewing the film East Coast ASSault for an adult magazine in New York City One interview later and it was official she was a porn journalist The job was supposed to be temporary just a paycheck until she could spark her legitimate writing career but she loved it and spent nearly a decade describing the nuances of money shots and the effectiveness of sex toys As both a porn consumer and a porn critic she was not quite an insider not quite an outsider but came to know the industry intimately She found it so fascinating that she co founded WHACK Magazine Finally she had a platform to voice her thoughts and observations of the adult film world as well as educate the rest of us about what really goes on behind the scenes Eventually Lynsey was thrust back into the real world but not before realizing that one of the most diverse and nebulous and profitable industries on the planet isn t so quite as different from the rest of the world as she thought Tantalizing eye opening and witty *Watching Porn* is a provocative book about an average girl s foray into the porn industry and the people who make it what it is both in front of and behind the camera Marvelous The New York Times Book Review      **Hard Trials, Great Tribulations** James V. Lyles,2014-06-30 James Lyles has written an absorbing memoir of his life beginning as an impoverished child in Depression era Arkansas and eventually becoming a highly educated and well traveled religious leader of a major Protestant denomination His story spans the most important era of African American advancement in the post slavery period He was an eyewitness as well as a participant in that half century of the black liberation struggle Growing up in rural Arkansas in the midst of the Great Depression he describes an early life reminiscent of Erskine Caldwell s Tobacco Road of the 1930s and 40s The account could serve as a documented history of African American life during that time His narrative is written also against the backdrop of some of the most memorable civil rights incidents such as the Little Rock High School integration riots and the killing of Emmett Till Also he relates in telling detail the little reported story of the racial integration of Perkins School of Theology on the campus of Southern Methodist University an event in which he was a participant As an ordained clergyman his adventures and misadventures took him to small towns large cities college campuses the armed forces a foreign mission bureaucracy and the continent of Africa all of which he relates with remarkable candor Jim Lyles s exciting memoir illustrates how many splendors a life of faith can be      **White Man in a Black Man's World** Richard Vermillion,2002-12      *Black Women in Interracial Relationships* Kellina Craig-Henderson,2017-07-28 According to the most recent U S census twice as many black men are involved in interracial relationships as black women Do black women consciously resist such involvement What motivates the relatively few women

who are in these types of relationships And how do they navigate the unfamiliar terrain in intimacy One of the most popular explanations for black women s involvement in interracial intimacy is the unavailability of eligible black men This explanation focuses on the dismal statistics popularly discussed in reports that forecast lonely futures for African American females Craig Henderson explores another more provocative explanation She argues that some black women may disassociate from larger social stereotypes by consciously and strategically making choices that distance them from what is considered characteristic of the typical African American woman Scant serious attention has focused upon intimate interracial relationships perhaps because of a general reluctance to deal with two extremely provocative issues race and sex As rates of interracial relationships continue to increase discussions about interracial intimacy are relevant and timely Craig Henderson considers the continuing taboo of interracial relationships involving African Americans the way this taboo is changing and the way that contemporary race relations perpetuate longstanding stereotypes about race and sex The book includes in depth unstructured interviews with a wide range of black women currently involved in interracial intimate relationships Each individual discusses their relationships with family members beliefs about the influence of race in America unique problems associated with interracial intimacy as well as sexual attraction racial identity and children Of particular interest to specialists in race gender family and sexual issues this work is also accessible and appealing to general readers

**Telling Narratives** Leslie W. Lewis,2024-03-18 Telling Narratives analyzes key texts from nineteenth and early twentieth century African American literature to demonstrate how secrets and their many tellings have become slavery s legacy By focusing on the ways secrets are told in texts by Jessie Fauset Charles W Chesnutt Pauline Hopkins Frederick Douglass and others Leslie W Lewis suggests an alternative model to the feminist dichotomy of breaking silence in response to sexual violence This fascinating study also suggests that masculine bias problematically ignores female experience in order to equate slavery with social death In calling attention to the sexual behavior of slave masters in African American literature Lewis highlights its importance to slavery s legacy and offers a new understanding of the origins of self consciousness within African American experience
