Circle: Main Line J. W. Mallard,2015-10-19 Tracing the Main Line of the Lines of a Circle An engrossing tale of a young woman s gripping quest to discover her lineage Julia Isbell has been afforded a good life by her parents who give her everything she needs including love However when her mother Viola is in her dying state she reveals one truth about Julia s identity that will change her life forever she is not a true Isbell Who and where are her parents Readers can unravel the truth as they follow Julia on her quest to *Ethical Prophets along the Way* Rufus Burrow Jr.,2019-12-27 The Hebrew prophets of ancient Israel strove to convey God s point of view to the people and the powers at a time when injustice deceit malfeasance and crushing the poor and the oppressed was prominent much like today The prophets spoke courageously and emphatically

about God's profound and unrelenting concern and compassion for human beings. Much influenced by the theology of prophecy developed by Rabbi Abraham Joshua Heschel, this book discusses the nature, meaning, and relevance of ethical prophecy at a time when democracy in the United States of America and elsewhere is under vicious assault from the religious and secular right and authoritarian politicians who openly flirt with and support murderous dictators, sexism, homophobia, racial bigotry, anti-Semitism, and hatred of Muslims both in word and practice. An examination of the contributions of eight powerful personalities from the period of American slavery through the post-civil rights era—Angelina Grimké, Ida B. Wells, Abraham J. Heschel, James Baldwin, Malcolm X, Martin Luther King Jr., Oscar Romero, and Alice Walker—offers a recipe for addressing this state of affairs.

Emotional Justice, Esther A. Armah, 2011-04-11. It is time for an emotional reckoning on our path to racial healing, sustainable equity, and the future of DEI. Here's the tool to help us navigate it. In this groundbreaking book, Esther Armah argues that the crucial missing piece to racial healing and sustainable equity is emotional justice: a new racial healing language to help us do our emotional work. This work is part of the emotional reckoning we must navigate if racial healing is to be more than a dream. We all—white, Black, Brown—have our emotional work that we need to do. But that work is not the same for all of us. This emotional work means unlearning the language of whiteness, a narrative that centers white people, particularly white men, no matter the deadly cost and consequence to all women and to global Black and Brown people. That's why a new racial healing language is crucial. Emotional Justice grapples with how a legacy of untreated trauma from oppressive systems has created and sustained dual, deadly fictions: white superiority and Black inferiority that shape and wound all of us. These systems must be dismantled to build a future that serves justice to everyone, not just some of us. We are the dismantlers we have been waiting for, and emotional justice is the game changer for a just future that benefits all of us.

The New York Times Magazine. Who gets to shape the narrative of our times? The current moment is a battle royale over that foundational power, one in which women, people of color, non-straight people are telling other versions, and white people and men, and particularly white men, are trying to hang onto the old versions and their own centrality.
