

Jesus or Egyptian Myth?

- The divine son of God battling the Evil One
- The son born on December 25th of a virgin called "Mery"
- Three "wise men" following a star in the east
- The divine son at the ages of 12 and 30
- The holy baptizer of souls
- The god with 12 followers
- The deity performing miracles such as healing the sick, walking on water and raising the dead
- The god as "Anointed," "Lord of Truth," "Lord of Light" and "Lord of Resurrections"
- The god associated with the cross, symbolizing eternal life
- The god buried for three days, resurrecting and ascending into heaven

All these *myths* are found in Egypt hundreds to thousands of years before Christ's purported existence.

Arthur Drews

The Christ Myth:

The Christ Myth Arthur Drews, 2021-12-02 *The Christ Myth* Elizabeth E. Evans, 2000 Was the entire story of Jesus nothing more than that just a story Evans presents an interesting argument According to her many things accepted as true regarding the story of Jesus may in fact not be true This book refutes aspects of Christ based on factual evidence combined with strong opinions of the author that may or may not be proven Many have been conditioned to accept Jesus in certain ways without the use of reason Evans provides us with a form of rational thinking that has been left out of our religious conditioning process Those who are open enough to read it will find it challenging and rewarding **The Christ Myth - A Critical Review and Analysis of the Evidence of His Existence** John E. Remsburg, 2007-04-01 This volume on The Christ was written by one who recognizes in the Jesus of Strauss and Renan a transitional step but not the ultimate step between orthodox Christianity and radical Freethought By the Christ is understood the Jesus of the New Testament The Jesus of the New Testament is the Christ of Christianity The Jesus of the New Testament is a supernatural being He is like the Christ a myth He is the Christ myth *The Christian Myth* Burton Mack, 2003-09-01 This book traces Burton Mack's intellectual evolution from a creative analyst of ancient texts to a scholar searching for the motives and interests of Jesus's followers who composed those texts and for the social logic of the Christian myths they created Mack rejects depictions of Jesus that have emerged from the quest for the historical Jesus peasant teacher revolutionary leader mystical visionary or miracle working prophet on the grounds that they are based on a priori assumptions about Jesus and are therefore contradictory In addition he argues these portrayals are untrue to the many images of Jesus produced by the early Christians Using systematic analysis Mack seeks to describe and understand the cultural and anthropological influences on the conception and adoption of Christian myths and rituals [The Christ Myth](#) Arthur Drews, 2015-06-15 Excerpt from The Christ Myth Since David Frederick Strauss in his *Life of Jesus* attempted for the first time to trace the Gospel stories and accounts of miracles back to myths and pious fictions doubts regarding the existence of an historical Jesus have never been lulled to rest Bruno Bauer also in his *Kritik der evangelischen Geschichte und der Synoptiker* 1841 42 2nd ed 1846 disputed the historical existence of Jesus later in his *Christ und die Ursachen der Ursprung des Christentums aus dem römischen Griechentum* 1877 he attempted to show that the life of Jesus was a pure invention of the first evangelist Mark and to account for the whole Christian religion from the Stoic and Alexandrine culture of the second century ascribing to Seneca especially a material influence upon the development of the Christian point of view But it was reserved for the present day encouraged by the essentially negative results of the so called critical theology to take up the subject energetically and thereby to attain to results even bolder and more startling About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged

The Christ Myth Arthur Drews, 2023-10-23 Arthur Drews The Christ Myth is a groundbreaking exploration of the origins of Christianity that challenges traditional beliefs Drews boldly asserts that Jesus Christ is a mythical figure rather than a historical person challenging centuries of religious doctrine In this meticulously researched book Drews dissects ancient texts and historical accounts to present a compelling argument for the mythical nature of Jesus Christ shedding light on the evolution of Christian beliefs His writing style is academic and thorough appealing to readers interested in theological debates and historical analysis The Christ Myth offers a provocative and thought provoking perspective on Christianity s foundational figure inviting readers to reassess their understanding of one of the world s most influential religions Arthur Drews extensive research background and critical analysis make The Christ Myth a must read for anyone interested in the intersection of religion history and mythology

Jesus the Christ Thomas James Thorburn, 1912 The Jesus Problem John Robertson, 2017-11-27 As was explained in the preamble to The Historical Jesus 1916 that work was offered as prolegomena to a concise restatement of the theory that the Gospel Jesus is a mythical construction That theory had been discursively expounded by the writer in two large volumes Christianity and Mythology and Pagan Christs and summarily in A Short History of Christianity the argument in the two former combining a negative criticism of the New Testament narrative with an exposition of the myth evidence Criticism having in large part taken the form of a denial that the records were unhistorical it was necessary to clear the ground by showing that all the various attempts of the past generation to find in the gospels a historical residuum have entirely failed to meet critical tests Those attempts conflicting as they do with each other and collapsing as they do in themselves give undesigned support to the conclusion that the gospel story is without historic basis It remains to restate with equal brevity the myth theory which long ago propounded on a very narrow basis has latterly been re developed in the light of modern mythology and anthropology and has in recent years found rapidly increasing acceptance Inevitably the different lines of approach have involved varieties of speculation Professors Drews and W B Smith have ably and independently developed the theory in various ways and a conspectus and restatement has become necessary for the sake of the theory itself no less than for the sake of those readers who call for a condensed statement This in turn is in itself tentative If the progressive analysis of the subject matter from the point of view of its historicity has meant a century and a half of debate and an immense special literature it is not to be supposed that the theory which negates the fundamental assumptions of that literature can be fully developed and established in one lifetime at the hands of a few writers The problem What really happened is in fact a far wider one for the advocate of the myth theory than for the critic who undertakes to extract a biography from the documents In its first form as propounded by Dupuis and Volney the myth theory was confined simply to certain parallelisms between Christian and Pagan

myth and to the astronomical basis of a number of these From this standpoint the actual historic inception of the cult was little considered Strauss again developed with great power and precision the view that most of the detail in the gospel narrative is myth construction on the lines of Jewish prophecy and dogma But Strauss never fully accepted the myth theory having always assumed the existence of a teacher as a nucleus for the whole As apart from the continuators of Dupuis and Volney it was Bruno Bauer who setting out with the purpose of extracting a biography from the gospels and finding no standing ground first propounded a myth theory from that point of view His construction being the substantially arbitrary one of a hypothetical evangelist who created a myth and thereby founded the cultus naturally made no headway and its artificiality strengthened the hands of those who claimed to work inductively on the documents It was by reason of a similar failure to find a historic footing where he had at first taken it for granted that the present writer was gradually led on lines of comparative hierology and comparative mythology and anthropology to the conception of the evolution of the Jesus cult from the roots of a pre Christian one The fact that this view has been independently reached by such a student as Professor W B Smith who approached the problem from within rather than by way of the comparative method seems in itself a very important confirmation

Did Jesus Really Live? Herbert J. Rossington, 1911 **Shattering the Christ Myth** James Patrick Holding, 2008-06

How To Get Rid of Jesus Prove He Didn't Exist A popular question posed by Christians today asks WWJD which stands for What Would Jesus Do For more and more Skeptics of Christianity however the answer to this question is JDNE which stands for Jesus did not exist In this volume edited by prominent Internet apologist James Patrick Holding a team of Christian authors provide a series of essays giving detailed answers to those who argue for the Christ myth Though rejected by mainstream scholars this theory continues to grow in popularity among popular writers and Internet antagonists The need for Christians to be ready to give an answer to it will only become more urgent Here's a clear and compelling rebuttal to fallacious claims that keep resurfacing in books and on the Internet It's well researched expertly presented and ultimately convincing

Lee Strobel author *The Case for the Real Jesus* [Did Jesus Really Live?](#) Herbert J. Rossington, 2015-07-08

Excerpt from *Did Jesus Really Live A Reply to the Christ Myth* The interest in Jesus of Nazareth seems to grow from more to more Each succeeding age discovers in him some fresh attraction or reinterprets in accordance with its own needs aspects of his life and teaching which appealed to former times In an age of criticism such as ours it is inevitable that much is called in question which once went unchallenged Hence it need occasion no surprise if Christianity is asked to give an account of itself In such a case the task of the Christian apologist is not to denounce but to discuss to indicate that historical criticism is a means of defence and not a mere instrument of attack Accordingly this little book attempts to deal suggestively rather than exhaustively with the important issue raised in recent critical works It is written in the sincere hope that it may prove helpful to some who believe with the writer that the historic personality of Jesus is fundamental to Christian faith About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www](http://www.forgottenbooks.com)

forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Greatest Story Ever Forged (Curse of the Christ Myth) David Hernandez,2009-09 Is God fact or fiction This is the question that has been the subject of debate for millennia oftentimes leading to violence as we have seen in the countless religious wars throughout the course of history including the Islamic and Christian wars of today The Greatest Story Ever Forged discusses this question and outlines the fabrications giving birth to these monotheistic religions their early developments and how they have tyrannized the West and Middle East for these many centuries Though there have been many defenders of the faith David Hernandez shows how these religions have infinitely caused more damage to man than any good they have ever been credited for having done This is what he calls the Curse of the Christ Myth which derives from the big lie as propounded by the inventors of the Christ Myth who battled as fiercely among themselves as they did against their detractors or non believers These include everyone from the Jews to the Pagans to the Gnostics to the heretics and any form of infidels in an effort to establish their true religions

Pagan Origins of the Christ Myth John G. Jackson,2018-12-17 A classic resource that connects the cardinal doctrines of Christianity to their origins in the ancient civilizations that preceded the religion In Pagan Origins of the Christ Myth John G Jackson sources the pagan origins of Christian doctrine with particular focus on the creation and atonement myths Rooted in historical facts Jackson's claims are steeped in research and demonstrate how Christianity synthesizes the rituals beliefs and characteristics of savior gods from ancient Egyptian Greek Aztec and Hindu origins Initially published in 1941 this concise introduction remains an insightful contribution to comparative religion studies

The Christ Myth Elizabeth Edson Gibson Evans,1991 *The Truth Behind the Christ Myth* Mark Amaru Pinkham,2002-04 Return of the Serpents of Wisdom and Conversations With the Goddess author Pinkham tells us the Truth Behind the Christ Myth and presents radically new information regarding Jesus Christ and his ancient legend includes The legend of Jesus Christ is based on a much earlier Son of God myth from India the legend of Murrugan the Peacock Angel The symbol of the Catholic Church is Murrugan's symbol the peacock a bird native to south east Asia Murrugan evolved into the Persian Mithras and Mithras evolved into Jesus Christ Saint Paul came from Tarsus the centre of Mithras worship in Asia Minor He amalgamated the legend of the Persian Son of God onto Jesus life story The Three Wise Men were Magi priests from Persia who believed that Jesus was an incarnation of Mithras While in India Saint Thomas became a peacock before he died and merged with Murrugan the Peacock Angel The Emperor Constantine the first Christian Emperor of the Roman Empire was a lifelong devotee of Mithras He was baptised Christian on his deathbed The myth of the One and Only Son of God originated with Murrugan and Mithras

Pagan Origins of the Christ Myth G John

Jackson,2025-01-30 Pagan Origins of the Christ Myth by G John Jackson is a work that explores the idea that many elements of Christianity particularly the story of Jesus Christ have roots in earlier pagan myths traditions and religious practices This book is often cited in discussions of comparative mythology and religion While some readers find Jackson s arguments compelling and thought provoking others critique the book for potential overgeneralizations or a lack of rigorous academic methodology It is often appreciated by those interested in religious studies mythology or atheism

Hymns and the Christian Myth Lionel Adey,2011-11-01 From its beginnings in the Bible Christian hymnology has fulfilled three functions praise recital and teaching of the Myth and collective and personal adoration as well as the foundation and worship of the church In Hymns and the Christian Myth Lionel Adey demonstrates that over the centuries shifts emphasizing particular elements of the Christian faith accord with the interests and concerns of the times in which the hymns were composed Using a broad range of texts Adey deals with major themes of every period from biblical times to the early twentieth century In tracing the changes in representation of the Father Son Holy Spirit and Four Last Things in early and medieval Latin hymns post Reformation chorales and psalm based hymns and English hymns from the time of Watts the book shows an increasing sense of personal response to the Incarnation and Passion of Christ and of participation in His redemptive work Chapters on hymnody of the Nativity and Passion illustrate the tendency of monastic poets the Learned tradition to focus on dogma mystery and paradox and carolists the Popular tradition to convey devotional tenderness Those on hymnody of the Holy Spirit illustrate a shift through the medieval period from representing pentecostal events to exploring their spiritual meaning During the Reformation and the Evangelical Revival the weight of hymnody shifts first to the Father and then to the Son s Passion and Atonement applied personally and inwardly re lived by the convert Most consistently hymnic representations of the Last Things shift their focus from collective to individual judgement from death as sleep until the general awakening to death as instant passage to reunion with family and friends As a hymnologist rather than a theologian Adey makes no pronouncements on the truth of Christian beliefs His focus is on how poets have expressed them over two millennia As such the book will interest not only students of religion but also those in such related disciplines as literature psychology history and sociology

The Christ Myth Mark Gerard Craig,Mark Gerard Craig Med,2016-05-28 Jesus did not exist This claim has gained a great deal of momentum within popular culture currently and threatens what many Christians hold sacred that Jesus of Nazareth lived and was the incarnation of God the second person of the Holy Trinity It is not uncommon to find people both educated and uneducated in New Testament studies jumping on this bandwagon of Christological nihilism and stating categorically that there is no evidence for an historical Jesus This book examines the hypothetical What if If Jesus did not exist would Christianity have a future This author contends that if it could be proven conclusively that Jesus did not exist the Christian Myth would nevertheless continue to bring profound and mystical meaning to the lives of people everywhere While Craig firmly considers the Historical Jesus to have been a real person he explores the hypothetical notion of Jesus non

existence as propounded by so many today showing how the Christian Myth as an archetypal symbol continues to retain relevance He does this by deconstructing the Jesus narrative viewing it through the lens of science mythology and spirituality thus demonstrating its inherent ability to make meaning for people in post modern context **The Rise and Fall of the Christian Myth** Burton L. Mack,2017-02-07 This book is the culmination of a lifelong scholarly inquiry into Christian history religion as a social institution and the role of myth in the history of religions Mack shows that religions are essentially mythological and that Christianity in particular has been an ever changing mythological engine of social formation from Roman times to its distinct American expression in our time The author traces the cultural influence of the Christian myth that has persisted for sixteen hundred years but now should be much less consequential in our social and cultural life since it runs counter to our democratic ideals We stand at a critical impasse badly splintered by conflicting groups pursuing their own social interests a binding common myth needs to be established by renewing a truly cohesive national and international story rooted in our democratic and egalitarian origins committed to freedom equality and vital human values *The Christian Mythology* Brigham Leatherbee,2020-09-28 That Christianity as to day presented by the orthodox is far different from the Christianity promulgated by the early fathers few are so blinded as to doubt Christianity like all other religions came not into the world full grown but from the simple conceptions of its early followers became gradually elaborated by the introduction of pagan forms and customs until it supplanted its early rivals and gave its adherents a compact and solid theology not very different from that of its predecessors However before considering the genealogy of Christianity or its heirlooms from paganism let us turn our attention to what were presumably the beginnings of the religious views of mankind Probably the true source of that human characteristic which is defined as the religious instinct and which is supposed to be an elevating and moral agent is to be found in the superstition which originated in fear of the unknown The first ages of human life were so devoted to the animal needs that little attention was given to anything else but later the craving for protection and help from some power greater than himself led primitive man to look about him for something to sustain and aid him in his struggle for existence Surrounded by natural phenomena of which he could give no explanation satisfactory to his experience he came to the conclusion that he was in an environment permeated with bodiless intelligences who governed these matters by supernatural power Awed to fear by the inexplicable workings of nature he sought to propitiate the spiritual agencies by bribes and he did all things for them which he thought would be agreeable to them to keep them in good natured interest or indifference toward him And naturally he considered that what would be pleasing to himself would be pleasing to them Therefore his offerings and his conduct towards these spirits were such as he would have desired shown toward himself Death and its imitation sleep being the greatest mysteries confronting him he naturally began to consider the spirits of the dead with whom he seemed to have intercourse in his dreams as being influential factors in his career and thus originated ancestor worship with its highly developed rites and sacrifices which in a modified form still exists in the Roman church in

the practice of reading masses for the souls of the dead At the same time noticing the great benefits derived from the warmth of the sun to whose rays he owed his subsistence and whose glorious and awful presence was constantly before him man began to feel grateful to that mighty power which was the source of all his welfare and appreciating that all terrestrial life depended upon it he came to recognize it as the great creative power

The Christ Myth Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Christ Myth PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need.

Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Christ Myth PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In

conclusion, the availability of The Christ Myth free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Christ Myth Books

1. Where can I buy The Christ Myth books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Christ Myth book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Christ Myth books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
