The Defector By Daniel Silva:

The Defector Daniel Silva, 2010 Gabriel Allon took down the world's most dangerous man. He made just one mistake: Leaving him alive. Spy turned art restorer Gabriel Allon is in Umbria when shocking news arrives from London: A Russian defector who saved his life has vanished without a trace. British Intelligence suspects he was a double agent, but Allon knows better. Soon he finds himself in a deadly duel of wits with a murderous Russian arms dealer as he bargains for his friend's life. Crisscrossing Europe at breakneck pace and culminating in a heart-stopping climax in the freezing birch forests of Russia, *The Defector* is a searing and bloody tale of courage and vengeance.

The International Killer Thriller
 Annabel Patterson, 2017-04-29 *The International Killer Thriller* focuses on the extremely successful novels of Daniel Silva who has pulled off the daunting task of writing in short order a series of novels with the same protagonist Gabriel Allon, a world famous assassin whom we are to regard as our hero. Originally hired by Israel on the order of Golda Meir to avenge the assassination of the Jewish athletic team at the Munich Olympics, Gabriel has been called upon subsequently by his government and then by those of Britain, Italy, France, and the United States either to mastermind or to assist in the operations against the assassins or master criminals of other countries. What makes him more interesting than most top guns is his other career: restoring masterpieces of painting from either old age or criminal damage. Taken as a series, the fifteen Allon novels take the reader all over the world, including Putin's Russia. The series requires us to evaluate the role of violence and especially revenge in the world we and our political leaders are forced to engage in. They all take place in almost real time and are up to date or even prescient about the dangers we face. **Talking Book Topics**, 2011-05 **Digital Talking Books Plus**, 2011 *Library Journal*, 2009 *Daniel Silva GABRIEL ALLON Novels 1-4* Daniel Silva, 2011-07-05

The first four Gabriel Allon novels from 1 New York Times bestselling author Daniel Silva. The Kill Artist: Former Israeli intelligence operative Gabriel Allon is called back into action and teamed with an agent as beautiful as she is deadly. Their target: a cunning Palestinian terrorist who played a dark part in Gabriel's past. The English Assassin: Gabriel Allon arrives in Zurich to restore the work of an Old Master for a millionaire banker and finds himself standing in blood and framed for the man's murder. While trying to clear his name, Allon is swept into a spiraling chain of events involving Nazi art theft, a decades-old suicide, and a dark and bloody trail of killings, some of them his own. The Confessor: In Munich, a Jewish scholar is assassinated, and Gabriel Allon must get to the bottom of a plot that reveals the truth about the Catholic church's response to the Holocaust. Now, as Allon follows a trail of secrets and unthinkable deeds, the lives of millions will be changed forever, and one man will become expendable. A Death in Vienna: Gabriel Allon is sent to Vienna to discover the truth behind a bombing that killed an old friend, but while there he encounters something that turns his world upside down. It is a face, a face that feels hauntingly familiar, a face that chills him to the bone. **Caravan of Thieves** David Rich, 2012-08-30 Like his con artist father Rollie Waters, knows all the angles and he's never fewer than two steps ahead of trouble. But unlike his father, Rollie is not a criminal. Only when he's working undercover for the Marines, inhabiting a false identity, is Rollie comfortable in his own skin. But after he's yanked out of his latest assignment and tossed into the brig, he's not that surprised to hear that a lot of government money has gone missing and the officials think Rollie's father took it. The only way to find Dan Waters is to trace the frail tendrils of truth scattered among Rollie's childhood memories. To do that, he'll have to go deep into the undercover

The Defector By Daniel Silva Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Defector By Daniel Silva has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Defector By Daniel Silva has opened up a world of possibilities. Downloading The Defector By Daniel Silva provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Defector By Daniel Silva has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Defector By Daniel Silva. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Defector By Daniel Silva. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Defector By Daniel Silva, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Defector By Daniel Silva has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
