**Politically Correct Bedtime Stories** James Finn Garner, 2011-09-01 Essential reading for adults of all ages the wisest funniest most thoughtful thing yet written on the subject of PC Observer In this bestselling classic James Finn Garner has rewritten classic stories for more enlightened times from Snow White s relationship with seven vertically challenged men Little Red Riding Hood her grandma and the cross dressing wolf who set up an alternative household based on mutual respect and cooperation to the Emperor who was not naked but was endorsing a clothing optional lifestyle At last here is bedtime reading free from prejudice and discrimination

of witches giants dwarves goblins and fairies everywhere For anyone brought up on sexist racist sizeist and ethnocentrist reading matter James Finn Garner s stories have been purged of the influence of an insensitive cultural past to become fables for our times     *The Michigan Alumnus* ,1995 In v 1 8 the final number consists of the Commencement annual     **The Complete Guide to Becoming an English Teacher** ,2004-03-22 This is a complete guide to how to become a successful teacher of English in secondary school The book enables readers to design a tailor made program to suit their individual needs as a student teacher     *The Magic Kingdom* Steven Watts,2013-05-09 The Magic Kingdom sheds new light on the cultural icon of Uncle Walt Watts digs deeply into Disney s private life investigating his roles as husband father and brother and providing fresh insight into his peculiar psyche his genuine folksiness and warmth his domineering treatment of colleagues and friends his deepest prejudices and passions Full of colorful sketches of daily life at the Disney Studio and tales about the creation of Disneyland and Disney World The Magic Kingdom offers a definitive view of one of the most influential Americans of the twentieth century     **Languages of Politics** Dragana Božić Lenard,2023-05-25 This edited collection consists of research papers dealing with different interdisciplinary subtopics from the multifaceted interplay between language and the political sphere Being intertwined and thus inseparable language and politics have received a lot of scholarly attention in the last 30 years The papers published in this collection are at the intersection of several disciplines including critical discourse studies political science media political psychology and sociology They report on cutting edge empirical research with discursively communicated political ideas and politicians utilization of language to persuade the voters to think behave and vote in a certain way The papers comprise quantitative qualitative or mixed methodological approaches re addressing multiple social theories and perspectives and challenging existing paradigms They contribute to burgeoning discussions of theoretical approaches and nuanced case studies in the field placing language as the central medium of politics     **The Politics of Humour** Martina Kessel,Patrick Merziger,2012-01-30 The period between the First World War and the fall of the Berlin Wall is often characterized as the age of extremes while this era witnessed unprecedented violence and loss of human life it also saw a surge in humorous entertainment in both democratic and authoritarian societies The Politics of Humour examines how works such as satirical magazines and comedy films were used both to reaffirm group identity and to exclude those who did not belong The essays in this collection analyse the political and social context of comedy in Europe and the United States exploring topics ranging from the shifting targets of ethnic jokes to the incorporation of humour into wartime broadcasting and the uses of satire as a means of resistance Comedy continues to define the nature of group membership today and The Politics of Humour offers an intriguing look at how entertainment helped everyday people make sense of the turmoil of the twentieth century     **Women Transforming Politics** Cathy Cohen,Kathleen B. Jones,Joan C. Tronto,1997-07 Contains over thirty essays which explore the complex contexts of political engagement family and intimate relationships friendships neighborhood community work environment race religious and

other cultural groupings that structure perceptions of women's opportunities for political participation      **Workers' Tales** Michael Rosen, 2018-10-16 Plain language kid friendly introductions to socialist politics striking allegories that remain pertinent now even on the other side of the Atlantic J C Pan The Atlantic In the late nineteenth and early twentieth centuries unique tales inspired by traditional literary forms appeared frequently in socialist leaning British periodicals such as the Clarion Labour Leader and Social Democrat Based on familiar genres the fairy tale fable allegory parable and moral tale and penned by a range of lesser known and celebrated authors including Schalom Asch Charles Allen Clarke Frederick James Gould and William Morris these stories were meant to entertain readers of all ages and some challenged the conventional values promoted in children's literature for the middle class In Workers Tales acclaimed critic and author Michael Rosen brings together more than forty of the best and most enduring examples of these stories in one beautiful volume Throughout the tales in this collection exemplify themes and ideas related to work and the class system sometimes in wish fulfilling ways In Tom Hickathrift a little poor person gets the better of a gigantic wealthy one In The Man Without a Heart a man learns about the value of basic labor after testing out more privileged lives And in The Political Economist and the Flowers two contrasting gardeners highlight the cold heart of Darwinian competition Rosen's informative introduction describes how such tales advocated for contemporary progressive causes and countered the dominant celebration of Britain's imperial values The book includes archival illustrations biographical notes about the writers and details about the periodicals where the tales first appeared Provocative and enlightening Workers Tales presents voices of resistance that are more relevant than ever before      **21st Century Political Science: A Reference Handbook** John T Ishiyama, Marijke Breuning, 2011 Offering full coverage of major subthemes and subfields within political science this reference handbook includes entries on topics from theory and methodology to international relations and institutions      *Awake America* Robert White, 2008-06 America is at war The war I'm referring to is a spiritual war and too many in God's army have gone AWOL The book *Awake America* is a shout to the people who treasure our freedoms and a shout to the Body of Christ to wake up and take our freedoms back before it is too late      **Dark Light** Alan Richardson, 2013-04 Jack Hobbes finally had to admit that all the Conspiracy Theories were right every damned one of them when he found himself driving his Mobile Library at speed down narrow Wiltshire roads at dawn pursued by implacable Frenchmen who were not sure whether the sealed box he had strapped onto the passenger seat contained either a see through electric kettle from Argos or the preserved head of John the Baptist On top of all that he then had to contend with the real Men in Black and the Trans Galactics plus MI5 the CIA Opus Dei numerous Freemasons and neo Templars Knights of the Star Gates and various incarnate aspects of the Wild Hunt who had been hiding for years in a certain little Old Peoples Home in rural Wiltshire And it had all been caused by two silly women Jenny Djinn and Lilith Love who just happened to also be Death Goddesses and who fell for the same Mobile Librarian in a small Wiltshire town that was named after trolls      *Choosing Books for Children* Betsy Gould Hearne, Deborah Stevenson, 2000 Presents a

tool for choosing books for children of all ages This title offers practical guidance on sorting through the bewildering array of picture books pop up books books for beginning readers young adult titles classics poetry folktales and factual books

**Learner-Centered Instruction** Jeffrey H. Cornelius-White, Jeffrey H. D. Cornelius-White, Adam P. Harbaugh, 2010 A supplementary text that provides a practical yet comprehensive explanation of learner centered instruction *Ethics and Politics of Space for the Anthropocene* Anu Valtonen, Outi Rantala, Paolo D. Farah, 2020-10-30 Featuring an international multidisciplinary set of contributors this thought provoking book reimagines established narratives of the Anthropocene to allow differences in regions and contexts to be taken seriously emphasising the importance of localised and situated knowledge It offers critical engagement with the debates around the Anthropocene by challenging the dominant techno rational agenda that often prevails in socio political and academic discussions **Childrens Literature and the Politics of Equality** Pat Pinsent, 2013-07-04 First published in 1997 In this book the author intends to explore some of the many questions which arise as a result of increasing awareness in our society about equality issues Can the attempt to make books for children consistent with contemporary views about equality go too far In any case are children really as much influenced by books and other material as some educationalists would claim What can or should we do about the classics Of the past And are today s children s writers so much better at avoiding giving offence to minorities How much are children affected by the kind of prejudices and preconceptions that we all grow up with but don t always succeed in acknowledging in later life

**Why So Serious?** Stephen Skalicky, 2025-03-17 Satire blends verbal irony humor and parody into a subtle critique usually aimed towards a social or political wrong Satirical language and media have been studied by a wide range of academic disciplines including literary studies media and cultural studies mass communications and various linguistic approaches corpus psycholinguistic and computational This broad interest in satire has led to divergent definitions and understandings of satire The goal of this book is to wrangle these different empirical and theoretical perspectives into one place Rather than arguing wholly for or against any one approach this book highlights the ways in which these approaches complement each other and contribute to a greater understanding into the nature of satire In doing so an argument is advanced that satirical discourse can also be viewed as a various forms of play which may serve as a useful criterion along which to discuss disciplinary variation associated with satire In all this book highlights the scholarly benefits of taking a serious look at the playful side of satire **Metaphorical Stories in Discourse** L. David Ritchie, 2017-09-14 When Hillary Clinton conceded in 2008 that she didn t quite shatter the glass ceiling and when Rick Perry in 2012 called Mitt Romney a vulture capitalist they used abbreviated metaphorical stories in which stories about one topic are presented as stories about something entirely different This book examines a wide range of metaphorical stories beginning with literary genres such as allegories and fables then focusing on metaphorical stories in ordinary conversations political speeches editorial cartoons and other communication Sometimes metaphorical stories are developed in rich detail in other examples like vulture

capitalist they may merely be referenced or implied This book argues that close attention to metaphorical stories and story metaphors enriches our understanding and is essential to any theory of communication The book introduces a theoretical structure which is developed into a theory of metaphorical stories and then illustrates the theory by applying it to actual discourse     *Tom Dodge Talks About Texas* Tom Dodge, 2000-04-26 Tom Dodge is at his best when he talks about Texas This collection of writings over the past decade includes his most poignant and provocative National Public Radio vignettes as well as longer pieces from newspapers and magazines Here are the wry sometimes ironic observations on all things Texas his listeners are used to His insights include a unique analysis of junkyards railroads bookstores horned toads sandy land farms and his grandmother s homemade grape jelly
