Freak Rebecca O'Donnell, 2011-01-26 From its first caustic blackly hilarious quote to its unbelievable ending *Freak* examines a roller coaster ride of a life and never lets up It tells the true story of Rebecca O'Donnell an atypical hero who found joy and laughter in the darkest of circumstances Unlike so many spunky survivors of damaged pasts Rebecca belonged to those far more common gray areas of depression and insecurity hidden behind a mask she showed the world For decades all her decisions were colored by that grayness that insecurity she had put herself into a pit and had to discover a way to crawl out of it With laughter self recognition and a drop of shaky courage Rebecca shares exactly how she did that discovering in the process a gift that she never expected the ability to help others build their own ladder out of hell *Freak* offers hope to anyone who has ever heard that voice of self hatred the gremlin of insecurity whispering that we can't we shouldn't and we don't deserve It is the denial of that gremlin and the shattering of its lie that make this memoir resonate with other victims of incest substance abuse and depression Love in the Box Rick Johnson, Life has never been more of a

gas As the lead fuel clerk at the Paos Grocery Store Creek s Rivers life should be somewhat of a gas Pumping up her customers should be Creek s priorities but priorities take a back seat when you are engaged in a running feud with the infamous Nazi Joe Jernigan for control of the box and control of your sanity Furthering Creek s woes is the presence of a stalker who is determined to make Creek his own private River bed Creek s police protection seems to be a folly as the stalker eludes all attempts to bring his reign of terror to an end Throw in a hillbilly transvestite and an Elvis want to be and you have fun pun and pranks galore as Creek struggles to retain her sanity and face her stalker in a stunning conclusion Join Creek as she desperately seeks Love in The Box The Brooklyn North Murder Erica Obey,2023-02-21 A hi flying tech investor vanishes from the middle of a lake in full view of a score of witnesses Mary Watson a university librarian and computer genius has the pictures to prove it It s an impossible crime with only a pair of red swim trunks for a clue but Mary thinks she can solve this mystery with the help of her Artificial Intelligence program Doyle who suggests the solution can be found in what is arguably the worst detective story ever written S S van Dine s The Dragon Murder Case With the university s security chief and a local attorney dogging her heels and with a mysterious operative appearing out of nowhere Mary may be in over her head **Olivia** Jasper Trey,2017-04-04 Beautiful and brilliant businesswoman Olivia had been widowed a year earlier and ever since she s thrown herself into mending everybody s broken heart except her own However on a lonely sun drenched vacation to Tahiti that changes After delivering a cold beer to a handsome stranger Olivia finds herself confronted not just by feelings she d thought had died along with her husband but also the overwhelming temptation to act on them For wealthy aristocratic Dante love had similarly been the last thing he d been looking for at this remote resort at least until the tanned beauty in the red bikini had showed up to offer him a beer Olivia is bold blatant and a world away from the fawning women he d grown so tired of as a prince of Madiera The chemistry between them is undeniable But Olivia and Dante come from two very different worlds her from small town Oklahoma and Dante from a glittering European kingdom They ll have just a week together before duty and destiny separate them once again Having gone through so much already are either willing to gamble on something that might never be Then again can either of them walk away from what might be their only chance of happiness Olivia A Summer of Second Chances is the first installment of the Harris Legacy series richly emotional beautifully written and true to life tales of love triumphant despite overwhelming odds **Bogeymen** John Laubhan,2003-12-10 Zach Reynolds had an amazing talent no one could suspect as he grew up in 1960s rural Illinois An autistic savant he was teased for being different from his earliest school days Only upon developing a unique friendship with a spunky neighbor herself an outcast for being a new kid in school did he find a path that would eventually lead to remarkable achievement Bogeymen is about growing up making choices and confronting responsibility It s also about finding friends and losing them about overcoming adversity and sharing adventures with companions who would soon disappear forever down other paths It s a story for everyone who from time to time thinks about how different things were in their

youth but mostly how distant and inaccessible those days have become Bogeymen reads like a tour down a winding path of long neglected high school memories I quickly got that feeling summers used to give when it was hard to imagine anything more important than an upcoming weekend party or spending the night at a friend s house The story will appeal to everyone The golf was right on but broken down to its finest parts it isn t any more about golf than it is about football or prom or drama club Ultimately it s about the joy and pain of growing up and the Kodacolor images we collect along the way BOBBY STEINER COLUMNIST AND AUTHOR OF Golf Heart Soul HEAD TEACHING PROFESSIONAL WESTIN MISSION HILLS PETE DYE RESORT COURSE
