## **The Right Stuff:**

The Right Stuff Tom Charity, 2019-07-25 This study places *The Right Stuff* in the historical context of the political history of the Space Race. It explores director Philip Kaufman's subversive adventurism, his mastery of cinematic form, and the way in which the film combines the mythology of the Western with counter-cultural concerns. *The Right Stuff* Tom Wolfe, 2005 What is it I wondered that makes a man willing to sit on top of an enormous Roman Candle such as a Redstone Atlas Titan or Saturn rocket and wait for someone to light the fuse? I decided on the simplest approach possible: would ask a few of the astronauts and find out. The men had it: Yeager, Conrad, Grissom, Glenn. Heroes. The first Americans in space, battling the Russians for control of the heavens, putting their lives on the line. The women had it: While Mr. Wonderful was aloft, it tore your heart out that the Hero's Wife down on the ground had to perform with the whole world watching. *The Right Stuff* It's the quality beyond bravery, beyond courage. Delivering the Right Stuff: How the Airlines' Evolution in Human Factors Delivered Safety and Operational Excellence Andrew J. Dingee, 2018 Examines the airlines' investigations into human factors of accidents and details how key findings from the investigations started the change that led to better tools for safety and operational excellence. Saving the Right Stuff United States. National Archives and Records Administration. Office of Records Administration, 1985 **The Right Stuff** Tom Wolfe, 2018-06-11 A wonderful novel and perfect book club choice. *The Right Stuff* is a wildly vivid and entertaining chronicle of America's early space programme. WITH AN INTRODUCTION BY US ASTRONAUT SCOTT KELLY What is it that makes a man willing to sit on top of an enormous Roman Candle and wait for someone to light the fuse? Arrogance? Stupidity? Courage? Or simply that quality we call the right stuff? A monument to the men who battled to beat the Russians into space. *The Right Stuff* is a voyage into the mythology of the American space programme and a dizzying dive into the sweat, fear, beauty, and danger of being on the white-hot edge of history in the making. Tom Wolfe at his very best. Learned, cheeky, risky, touching, tough, compassionate, nostalgic, worshipful, jingoistic. *The Right Stuff* is superb. New York Times Book Review The Right Stuff: Some Episodes in the Career of a North Briton Ian Hay, 2023-08-22 In *The Right Stuff: Some Episodes in the Career of a North Briton* by Ian Hay, readers are taken on a riveting journey through the life of a North Briton, exploring the challenges and triumphs faced along the way. Hay's writing style is characterized by a clever blend of humor and depth, making the book both entertaining and thought-provoking. The setting of the book reflects the author's personal experiences and observations, creating a vivid and authentic literary context. Readers will find themselves immersed in the captivating narrative and gaining a deeper understanding of the North Briton's unique perspective. Ian Hay's insightful exploration of the protagonist's journey sheds light on universal themes of identity, struggle, and resilience, leaving a lasting impact on the reader. The book is a must-read for those interested in character-driven stories with a touch of wit and wisdom, offering a compelling glimpse into the complexities of human experience. *Field & Stream*, 1998-08 FIELD STREAM America's largest outdoor sports magazine celebrates the outdoor
