The Day Of The Lie:

October 31, 2025: The Lie The Day the Illusion Died Sherridean Abddeen, 2025-08-24 SUMMARY On Halloween night 2025 the skies opened not with horror stories or costumes but with ships They revealed themselves in broad daylight No cloaks no denials Just absolute presence The media froze Governments gave rehearsed speeches The message was clear They just arrived And they come in peace But that was the lie In truth these beings had always been here managing the illusion controlling the simulation grooming human leadership through soft influence black deals and memory suppression October 31st wasn't a landing It was a handover ceremony As factions of humanity awakened resisted or tried to flee they were met not just with force but with storms The weather itself turned tactical programmed and vengeful Military forces sworn to protect humanity stood still in silence caught between loyalty to country and obedience to the unseen pact already signed This book follows one witness part survivor part seer who lives through the soft war dodges memory resets and records the truth while everyone else forgets Through visions embodied dreams and encounters with fugitives and soldiers alike they piece together the real plan Replace humanity's illusion of control with a new managed species hierarchy with the same governments but new masters There will be no announcement No war No winner Only the dome And the story they buried beneath it

The Day of the Lie William Brodrick, 2012-04-05 They came for me in November nineteen fifty one and took me to Mokotow prison Cambridge the present day And out of the past a cry for help Father Anselm the brilliant Benedictine receives a visit from an old friend with a dangerous story to tell the story of a woman betrayed by time fate and someone close to her someone still unknown As a young woman Roza Mojeska was part of an underground resistance group in Communist Poland But after her arrest an agent of the secret police makes her a devil's bargain and in the dark of a government prison a terrible choice is made Now fifty years later Anselm is called upon to investigate both Roza's story and a mystery dating back to the early 1980s in the icy grip of the Cold War And as he peels back years of history decades of secrets a half century of lies he exposes a truth that victim and torturer would keep hidden

Day Trading Truths and Lies Joe Zordi, Trading is challenging for most people because they simply don't have information tools or confidence to become successful This book is important for beginners because it tells it like it is and gives an inside look at trading the financial markets giving you the reality on what the live market is really like the way they are really run and tells you who runs them and what you need to do as a self directed beginner to survive in them Let's face it it's a well known fact that 97% of brand new self directed investors and traders fail and lose all of their money why does this happen It happens because brand new self directed traders enter into this business with a bunch of misguided grandiose ideas of making a million dollars from trading and while you can surely make millions of dollars from trading you would need to be using hundreds of millions of dollars of capital to do so no joke As a brand new self directed trader you have no idea of the brutality and volatility that goes on in the live markets on a daily basis and that there are people in the live markets who will walk over dead bodies to get

paid so make no mistake as a beginner and think you can go in the live market and beat them you can't. What you can do though is properly prepare yourself to trade with the best traders in the world and get paid right along with them instead of paying them. Once you have completed reading this entire book you will have a chance at competing with the best professional traders on the planet. The information in this book will put you on the fast track to being able to make an unlimited income for yourself and becoming consistently profitable enough from trading the financial markets to perhaps even making a living from doing it. Isn't that the type of business you would like to be in?

Author Kontrena Clark reveals how Karen got engaged in only twenty-eight days of meeting her supposed prince charming. Karen was a successful businesswoman but her only Achilles heel was men who said they loved her. Karen simply loved a man preaching the word and knowing his Bible. As a divorced single mom her last most pressing desire was to be married again but this time to a true man of God. Like a lot of single women Karen was tired of waiting for her man. It was time for her to move to the next phase in her life. She viewed the internet as a promise to give her more options and make her more available to other men who she might not otherwise meet. Well as fate would have it Karen found out that her prince charming was a wolf in sheep's clothing. Everything was a lie. Every word every smile every kiss every hug everything.
