*Not an Easy Journey* Prima Bassen-Bernados OPL, 2018-08-03 Life consists of mountains and valleys Nobody was exempt from these Everyone would experience pains and sufferings in their lifetime whether they like it or not But there was always a voice that would help us if we but listen to his voice Listening to that voice was our way to eternal life It was tough to listen to that voice Tougher still to respond but the Holy spirit was always ready to give us the power courage and strength and he always gives us the perfect amount of all we need to make it through our dark valleys Even though this generous divinity never abandoned us The author was not a stranger to these pains and sufferings She felt them when she was only eight years old It did not stop at her young age Her pains and sufferings continued through her adult life She tried so much to forget and in order to do that she entered the convent Unfortunately for her she got sick She left the convent and spent the next twenty years teaching But still the memories of her lost love resurfaced again and again through his sister and niece She immigrated to the US but he was like her shadow following her around They saw each other again in their High school reunion but she managed to evade him Then she decided to get married For a while she was in peace until he called her he was in school She gave him an ultimatum not to call her because she was already married And this time she was sure they would never cross paths again but he never listened He continued calling her until her husband passed away Nothing in life happens by accident It was all by divine providence Read the book and find out what divine intervention did in their lives
