Humbug Holiday Tony Abbott, 2014-07-01 For two sixth graders who feel about school the way Scrooge feels about Christmas a magical trip into Dickens's tale is just what their spirits need. It's Christmastime at Palmdale Middle School and the sixth grade class has organized a holiday banquet for local families in need. Best friends Devin and Frankie short for Francine are excited to eat but they forgot to bring in food donations. They also didn't read *A Christmas Carol* for Mr. Wexler's English class. While the two fight over the school's last copy the library's magic security gates suddenly transport them straight into Charles Dickens's timeless tale where they come face to face with grouchy Ebenezer Scrooge who's about to get a wake up call from some ghosts on Christmas Eve. As the ghosts show the stingy Scrooge the consequences of all the selfish choices he's made in life Devin and Frankie come to realize that they too have a few things to learn about kindness and generosity. Reluctant readers Devin and Frankie are wisecracking underachievers and their characterizations and dialogue ring true in Tony Abbott's *Cracked Classics* series. *School Library Journal*

Trapped in Transylvania Tony Abbott, 2014-07-01 Two reluctant readers and mischievous middle schoolers get transported into Bram Stoker's vampire classic in this lighthearted spoof. Publishers Weekly Devin and Frankie short for Francine may be the best of friends but they aren't the best of students. After they're busted for not reading Bram Stoker's *Dracula* their teacher sends them to the library to make amends by mending books. When they accidentally toss an ancient copy of the horror classic through the library's broken metal detector a huge crack opens in the wall and sucks Devin and Frankie right into the novel itself. Now these sarcastic sixth graders will need a few stakes a lot of garlic and a sharp sense of humor to defeat the bloodthirsty count. In this first book in Tony Abbott's *Cracked Classics* series Devin and Frankie are wisecracking underachievers and their characterizations and dialogue ring true. Abbott adroitly blends the language in Stoker's tale with their conversations resulting in laugh out loud scenes. *School Library Journal*
