**My Mother's Sabbath Days** Chaim Grade, 1997 This tender and moving memoir by the great Yiddish writer Chaim Grade takes us to the very source of his widely praised novels and poems the city of Vilna the Jerusalem of Lithuania during the years before World War II Centered on the figure of Grade's mother Vella simple pious hard working this is a richly detailed account of the ghetto of his youth of the lives of the rabbis the wives the tradesmen the peddlers and the scholars We see Vella desperate after losing her husband become a fruit peddler struggling to survive poverty and to remain true to her faith in the face of human pettiness and cruelty We follow Grade as he walks in the footsteps of his scholar father a champion of enlightenment we see him entering marriage and his mother finding some peace of mind in a marriage of her own all of this in a world recalled with extraordinary physical and emotional intensity Then World War II The partition of Poland between the Soviet Union and Germany is followed by the new German invasion of June 1941 Grade believing as do so many others that the Nazis pose a danger chiefly to able bodied men like himself flees into Russia In his travels on foot and by train he meets a fascinating kaleidoscopic array of characters the disillusioned Communist Lev Kogan the durachok or simpleton a young prisoner who mistaken for a German spy is shot when he jumps from a train the once prosperous lawyer Orenstein who virtually becomes a beggar dies and is buried by strangers in a remote Central Asian village With the war's end Grade returns to Vilna to find the ghetto in ruins to learn that his wife and his mother have gone to their deaths and he is left with nothing but memories But it is here amid the devastation of a people that he finds the compulsion and the passion to commit to paper the world that has been lost Cheerful To-days and Trustful To-morrows Margaret Elizabeth Munson Sangster, 1899 *Confessions of Fraternity Days* Gregory Ross, 2016-04-22 1985 Norbert was a freshman in Abilene Texas All his break ups unique jobs and fraternity oddities Norbert is social kind hearted and successful at everything but true love He is a singer a model for BVD a youth minister quasi college athlete and an adult dancer It is the best Texas college fraternity story since Proof by Kevin Reynolds Makes you laugh cry and remember the 1980's **Mother Cub** Susan Lynn Perry, 2007-11 Imagine that you are the mother of a beautiful baby boy Your bundle of joy was born perfectly healthy with ten little fingers and ten little toes He smiles walks and talks on time right on track with his peers You could not be happier Now imagine that your baby gets sick He's suddenly sick every week with ear infections bronchitis vomiting diarrhea allergies eczema fevers and colds Then imagine that he stops talking Imagine that he stops putting his hands out when he falls on the playground He seems dizzy distracted and disoriented most of the time Imagine that he stops responding to his name or responding to you his mother at all His doctor says he's fine but you know better You start asking around and reading and researching You have your suspicions but hope to God they are not true Then finally several months or even years later you are given the devastating diagnosis of autism And not only that but you are then faced with some even more horrifying news There is no cure for autism This is what I was faced with during the first four years of my son's life This is my story and the
