## **The Dark Garden:**

**In a Dark Garden** Frank G. Slaughter, In 1862 having completed his medical studies in Europe Julian Chisholm finds himself in Glasgow penniless but determined to return home and offer his skill as a surgeon to the cause of the Confederacy Through a cynical happy go lucky gambler he meets lovely Jane Anderson widow of a Confederate army officer who needs a husband badly if she is to return to Georgia to fight for her estates She offers Julian the price of his passage if he will marry her and he accepts hoping that marriage will drive away his constantly recurring thoughts of beautiful shameless Lucy Sprague who had rejected him three years before for an untrustworthy but wealthy Yankee senator Once in the Confederacy Julian plunges into the hazardous work of an army field surgeon as he tries to forget both Lucy and Jane in whom his interest has deepened On the bloody battlefields of Vicksburg and Chickamauga he performs delicate under fire operations oblivious of his personal safety and concerned only with the lives of the wounded under his knife There are detailed and accurate descriptions of Julian at work from the scene at the primitive base hospital where he saves an adolescent boy with a dangerous head injury to the night in a sumptuous mansion where he makes medical history when he removes an appendix as a cure for typhlitis As we follow Julian through rapidly shifting scenes of action Jane and Lucy again cross his path and disturb his loyalties How he resolves his personal conflict and makes his final choice between love and duty is the climax of this dramatic story of a doctor in the Civil War
