*The United Nations and the Question of Palestine* Ardi Imseis, 2023-11-30 The UN is the guardian of international law But what does its handling of Palestine reveal about this lofty claim      **The Palestine Problem** Pamela Ferguson, 1973

*Zionist Israel and the Question of Palestine* Tamar Amar-Dahl, 2016-11-07 After half a century of occupation and tremendous costs of the conflict Israel is still struggling with the idea of a Palestinian state in what is often perceived as the Biblical Eretz Israel Mapping Zionism enemy images peace and war policies as well as democracy within the Jewish State the present study offers original insights into Israel's role in this conflict By analyzing Israeli history politics and security oriented political culture as it has been evolving from 1948 on this book reveals the ideological and political structures of a Zionist oriented state and society In doing so it uncovers the abyss between the Zionist vision of Eretz Israel on the one hand and the aspiration to achieve normalization peace and security on the other In view of this conflict laden bi national reality the Palestinian question is identified as the Achilles heel of Jewish statehood in the Land of Israel Thus Zionist Israel and the Question of Palestine provides a fresh innovative critical and yet accessible perspective on one of the most controversial issues in contemporary history      [The United Nations Seminar on the Question of Palestine](#) , 1988      **The Question of**

**Palestine** Edward W. Said, 1979 With the signing of the Israel Egypt peace treaty the issue that has colored the history of the Middle East since the half century of armed conflict between Arab and Jew still continues to threaten international security almost as if Camp David had never happened it is The Question of Palestine Book Jacket      *The Southeast Asia Collective Defense Treaty* United States. Congress. Senate. Committee on Foreign Relations, 1954      [Introduction to the Issue of Palestinian Refugees](#) Dr. Mohsen Mohammad Saleh, 2019-02-17 The 72 page book discusses the historical backgrounds of the Palestine issue and the emergence of the Palestinian refugee issue It is mainly based on two lectures delivered by Dr Mohsen Saleh at The Academy of Refugee Studies providing rich material for scholars and activists interested in the Palestine issue This book offers a clear definition of the land and people of Palestine and refutes the Jews alleged historical claims to Palestine It discusses the emergence of Zionism the role of Britain in consolidating the Zionist project the partition of Palestine the emergence of the Palestinian National Movement and Palestine's war of 1948 It responds to the allegations that the Palestinians left their homeland willingly The Introduction to the Issue of Palestinian Refugees offers facts and statistics of the number of Palestinian refugees and a map of their residence worldwide It is noted here that half of the Palestinian people live abroad more than third have a refugee status and more than two million refugees from the 1948 occupied territories live in the West Bank and the Gaza Strip It studies the international resolutions that tackled the Palestinian refugees issue and sheds light on the peace process This book adheres to scientific and professional standards It includes rich information and updated statistics and provides the readers with many tables and charts      **Palestine & the UN** , 1996

**Arab-Zionist Perspectives on the Early Struggle for Justice in Palestine** Labeeb Ahmed Bsoul, 2025-06-20 This

book offers an in depth exploration of the early history of Palestine providing a rigorous analysis of pivotal events and underlying dynamics The study begins with examining the emergence of Zionist movements and their proposals the period of Ottoman governance in the Levant and the influence of Western imperialism concluding with the critical era surrounding the Second World War specifically from 1939 to 1948 The following four chapters adopt a chronological and analytical approach to address topics of lasting significance These chapters critically examine the development of ideological currents originating from early Zionist initiatives the progression of Jewish settlement projects in Palestine from 1891 to 1917 and their contemporary relevance Furthermore they investigate the international political responses to the Palestine issue during the First and Second World Wars with particular emphasis on the interactions between the Zionist movement and Western imperialism In the final section the book scrutinizes the foundational principles of the Zionist movement and the challenges encountered by the Arab population during the interwar period offering valuable insights into the complex socio political realities of the time

*Letters to Palestine* Vijay Prashad, 2015-04-14 Operation Protective Edge Israel's seven week bombing campaign and ground invasion of Gaza in the summer of 2014 resulted in half a million displaced Gazans tens of thousands of destroyed homes and more than 2 000 deaths and yet it was only the latest in a long series of assaults endured by Palestinians isolated in Gaza But following the conflict polls revealed a startling fact for the first time a majority of Americans under thirty found Israel's actions unjustified Jon Stewart aired a blistering attack on Israeli violence and a video of a UN spokesperson weeping as he was interviewed in Gaza went viral appearing on Vanity Fair and BuzzFeed among other sites This book traces this swelling American recognition of Palestinian suffering struggle and hope in writing that is personal lyrical anguished and inspiring Some of the leading writers of our time such as Junot Diaz and Teju Cole poets and essayists novelists and scholars Palestinian American activists like Huwaida Arraf Noura Erakat and Remi Kanazi give voice to feelings of empathy and solidarity as well as anger at US support for Israeli policy in intimate letters beautiful essays and furious poems This is a landmark work of controversial committed literary writing

*Parliamentary Assembly Official Report of Debates 1998 Ordinary session (Second Part, Volume II), 2024 April 1998 Council of Europe, Post-Holocaust Politics* Arieh J. Kochavi, 2003-01-14 Between 1945 and 1948 more than a quarter of a million Jews fled countries in Eastern Europe and the Balkans and began filling hastily erected displaced persons camps in Germany and Austria As one of the victorious Allies Britain had to help find a solution for the vast majority of these refugees who refused repatriation Drawing on extensive research in British American and Israeli archives Arieh Kochavi presents a comprehensive analysis of British policy toward Jewish displaced persons and reveals the crucial role the United States played in undermining that policy Kochavi argues that political concerns not human considerations determined British policy regarding the refugees Anxious to secure its interests in the Middle East Britain feared its relations with Arab nations would suffer if it appeared to be too lax in thwarting Zionist efforts to bring Jewish Holocaust survivors to Palestine In the United States however the American Jewish

community was able to influence presidential policy by making its vote hinge on a solution to the displaced persons problem Setting his analysis against the backdrop of the escalating Cold War Kochavi reveals how ironically the Kremlin as well as the White House came to support the Zionists goals albeit for entirely different reasons Key Resolutions of the United Nations General Assembly 1946-1996 Dietrich Rauschning, Katja Wiesbrock, Martin Lailach, 1997-08-28 Key resolutions from the first fifty years of the United Nations General Assembly The Persistence of the Palestinian Question Joseph Massad, 2006-09-27 In this erudite and groundbreaking series of essays renowned author Joseph Massad takes a radical departure from mainstream analysis in order to expose the causes for the persistence of the Palestinian Question *Jihad in Palestine* Shaul Bartal, 2015-07-24 The 21st century exists in the shadow of the return of extremist Islam to the center of the world's political stage a process that began at the end of the previous century While researchers have focused on the rise of Hamas this return has in fact manifested itself in a range of independent Islamic extremist groups with their own philosophies Jihad in Palestine provides a comprehensive study of the variety of Islamic extremist groups operating inside Israel Palestine today examining their philosophies and views concerning martyrdom as well as their attitudes to the Israeli Palestinian conflict These ideologies are presented in their own words thanks to the author's extensive translations and commentary of primary sources in Arabic including the writings of the Islamic Jihad al Jama'a al Islamiya Hizbal Tahrir al Islami Hamas and the Islamic Movement The book studies the attitudes of these organisations towards the fundamental issues surrounding Jihad including the concept of personal obligation the relationship of the movement to the peace agreements and attitudes towards Jews expressed in the movement's writings Exploring the basic theories of sacrifice and analysing modern day Palestinian society it promotes a greater understanding of the religious angle of the Israeli Palestinian conflict The book will be of interest to students and scholars of Middle East Studies Jewish Studies Political Islam and Terrorism Political Violence **LIFE**, 1946-08-19 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use *The Palestinian Issue in Middle East Peace Efforts* United States. Congress. House. Committee on International Relations. Special Subcommittee on Investigations, 1976 The Palestinian Refugees J. Ginat, Edward Joseph Perkins, 2001 As violence escalates in the Middle East a peace agreement between Israel and Palestine seems more elusive than ever Yet one thing remains clear without constructive dialogue such an agreement cannot occur This timely volume presents just such a dialogue It brings together opinions perspectives and research focused on one of the region's most complex and volatile problems the Palestinian refugee situation Based on a 1999 conference at the University of Oklahoma International Program Center Palestinian Refugees combines contributions from Israelis Palestinians Jordanians Egyptians Americans and Europeans In addition to focusing on the Palestinian refugees the essays present various proposals for solving

the Palestinian problem Organized in two parts the volume presents both scholarly essays and position papers The scholarly essays place current issues in historical context and explore the Palestinian belief in the right of return and questions of appropriate compensation The position papers focus on policy and offer a variety of perspectives Concluding the volume is a special essay on public polls that gauge how Palestinians and Israelis view the circumstances of Palestinian refugees and what they feel about possible solutions

Dance and Authenticity in Israel and Palestine Elke Kaschl, 2003-08-01 Dance and Authenticity is an ethnography of dance performance and cultural form It describes how dabkeh a type of dance performed at Palestinian weddings became a model for the Israeli Jewish debkah as a means of affirming Israeli Jewish belonging and common society The Palestinian dabkeh in turn acquired nationalist meanings especially after the 1967 war and the occupation of the West Bank The book traces the history of these competing and conflicting dance forms basing the argument principally on the ethnographic study of two Palestinian and one Israeli Jewish dance group conducted between 1998 and 1999 The result is a fascinating parallel ethnography showing how the ethnography of dance forms contributes to evolving notions of collective national and political identity in a context of unequal power
