The Character Of God S Workman:

The Character of God's Workman Watchman Nee, 2009-10-09 In the work of God the worker is more important than the work If God cannot find the right person He would rather delay His work Much time and effort will He spend in the training of a workman fit for the Master s use Basically the training is more in the area of character than of skill Only a new creation can serve God Positionally if any man is in Christ he is a new creation 2 Cor 5 17mg experientially old habits will have to be shed and new habits formed through the working of the cross in his life A few principal characteristics of the life of Christ need to be incorporated in the worker before he is qualified to be a servant of God Otherwise God s work will suffer in his hands It is far better for him not to plunge himself at all into the most sacred work of God Seeing the importance of the workman s character in the service of God Watchman Nee gave a series of messages on this subject to a group of fellow workers in Kuling in 1948 which was subsequently published in Chinese A condensed version in English translation was published by the Church Book Room Hong Kong in 1965 it being the work of the late Miss Elizabeth Fischbacher It was a work beautifully done and of the highest quality Sensing however the tremendous significance of these messages in relation to God s work and His workmen a new English translation of the full text seems now to be in order While so doing the spoken form of these messages has been preserved and only necessary editing done for clarity The fundamental features of the character of God s workman given by Watchman Nee are that he 1 is able to listen 2 loves all mankind 3 has a mind to suffer 4 buffets his body and brings it into subjection 5 is diligent and not slothful 6 is restrained in speech 7 is stable 8 is not subjective 9 has a right attitude towards money and 10 is dealt with on some other important matters The Character of God's Workman Watchman Nee, 1988 This book contains a series of messages given by Watchman Nee to a group of fellow workers in Kuling China in 1948 on the subject of character qualities to be exemplified in the lives of those who live and work for God **The Character of the Lord's Worker** Watchman Nee, 1998-10 The Secret of a Successful Christian Ministry Ferkah Ahenkorah, 2014-01-30 The Secret of a Successful Christian Ministry is a short work inspired by a burning passion to ensure that contemporary Christian ministries thrive under a leadership that is solidly anchored in the Lord Jesus Christ and in biblical principles for leading the congregations of Christ Drawing strength from the idea that the shepherd is the single most important factor that makes the difference between success and failure in Christian ministries the book discusses a series of factors that could ensure a successful ministry for the Christian leader from the time he first receives his calling from God to the time he finishes his life s course The presentation is illustrated with a wealth of biblical examples contemporary real ministry cases and historical anecdotes which give an insight into why some ministers have failed and why others have succeeded Obviously inspired by the Holy Spirit to improve the leadership of the church in these end times the book is not only an invaluable asset to any Christian minister who is eager for success in his calling but also a fruitful addition to the library of the average reader **Human Nature laid open ... Also the primitive fall of man, and his**

subsequent redemption, etc John SEARLE (of Penrhyn.),1836 **Interpreting Matthew** Watchman Nee,1989-11-01 This volume contains Watchman Nee s last study on the Gospel of Matthew 1950-52 as well as his earlier notes from 1924-26 displaying the growth he achieved in his understanding during the course of his illustrious ministry **Journeying Towards the Spiritual** Watchman Nee,2006-01-01 God s desire is to commune with man God being spirit the man who worships Him must worship in spirit and truth It is therefore essential for man to be spiritual This is what the gospel of Jesus Christ is all about Salvation is the way to spirituality The original three volume set of *The Spiritual Man* by Watchman Nee serves as a guide not as a manual to walk in spiritual life as well as to fight the spiritual warfare It was written under tremendous spiritual conflict Only through the grace of God and the victory of Christ was Watchman Nee able to finish the writing Now having become a Christian classic it may be considered as Watchman Nee s legacy to the Church Condensed in this new volume there are 42 lessons to be learned in journeying towards the spiritual May we be guided by the Spirit of God to heartily learn these necessary lessons all to the glory of God *God's Purpose for the Family* Stephen Kaung,2014-06-17 And God created man in his image in the image of God created he him male and female created he them Genesis 1:27 The concept of family had its origin with God at the very beginning when He created man for God had an important purpose for the family to fulfill Indeed He will use the family of God the church to defeat His enemy Satan And hence God s enemy is pouring out his fury to destroy the family Thank God through the redemptive work of Christ we Christians are to have our families restored to God s original purpose This short series of messages delivered by the author before a gathering of God s people in Washington DC beginning in September 1974 is therefore being published as a way of helping Christian believers elsewhere to see and carry out God s purpose for the family May the Lord bless all who read the pages of this volume

The Finest of the Wheat, vol 1 Watchman Nee,1992-10-01 This is Volume 1 of a compilation of excerpts from nearly all of Watchman Nee s published works written during the long course of his ministry of preaching and teaching in China and throughout the world **The Salvation of the Soul** Watchman Nee,1978-11-13 Watchman Nee s treatment of the salvation of the soul is a companion volume to another work *The Latent Power of the Soul* In it he deals with God s positive way with our soul taming the inordinate power hidden deep within it *The Church and the Work* Watchman Nee,1982-09-01 This is Watchman Nee s three volume work on the practical aspect of the local church written for the most part as messages delivered in training sessions over the course of his illustrious career as a pastor teacher in China **The Gymnasium of Christ** Stephen Kaung,2013-06-28 Exercise thyself unto piety or godliness for bodily exercise is profitable for a little but piety godliness is profitable for everything having promise of life of the present one and of that to come 1 Timothy 4:8 People nowadays are most conscious of the need to engage in physical exercise but unfortunately God s people are considerably negligent regarding the need for spiritual exercise They may have had some experience of being in the school of Christ where they learn something of God s truth mentally yet they are quite ignorant when it comes to the gymnasium of Christ

where through spiritual exercise they may learn of Christ himself and grow up in Him daily This causes them to be large in head but small in feet They know a lot but advance very little along the pathway towards spiritual maturity In view of this disappointing situation brother Stephen Kaung gave a series of twenty messages on the necessity for Christians to be attendees and participants daily in the gymnasium of Christ

The Splendor of His Ways Stephen Kaung, 1974-09-25 Why do the righteous suffer This is an age long dilemma The human soul agitates over it Man's wisdom endeavors to solve it But God alone has the right answer In the book of Job God reveals the hidden purpose behind the suffering of the righteous For suffering is unto sonship Through suffering we grow into such a living knowledge of God that delivers us from self and fills us with Christ Let all who suffer find comfort and strength in reading *The Splendor Of His Ways* *The Workman's Testimony to the Sabbath ... Being the first three by J. A. Quinton, J. Younger, and D. Farquhar of one thousand forty-five competing essays on the Sabbath, by working men. With an introduction by J. Jordan*, 1853
