together on an island in Maine he and I were forced to share a bathroom The boy I remembered was now a full grown man but with the same attitude After a rough start Archie and I unexpectedly started getting along one day and eventually became friends We shared secrets and bonded during our morning jogs I discovered that Archie had a wild spirit and that he struggled to conform to his father s expectations Things were cool until I had to go and ruin it getting drunk one night and blurting out my fantasy involving him I took it back but it was too late Archie had heard me loud and clear After that we never quite knew how to toe the line When that summer came to an abrupt and shocking end I headed back to college unsure if anything would ever be the same again Across the miles over the years he and I stayed in touch as friends but fate and timing always kept us from becoming more You know the saying If two people are meant to be they ll find their way back to each other Let s just say Archie came back into my life in a way I would ve never expected And this time my heart would really be put to the test
