The Demon Headmaster Strikes Again:

The Demon Headmaster Strikes Again Gillian Cross, 2012-04-19 Dinah Lloyd and Harvey hoped they'd seen the last of the Demon Headmaster when they moved to a new village. However, almost immediately they can tell something's not right about the place. There's a loud buzzing noise coming from the biogenetic research centre and a creeper that grows extraordinarily fast. Why are the security guards so scary? And why does everybody in the village use exactly the same words to describe the research centre? Dinah becomes even more suspicious when someone pretending to be a doctor comes to their house and manages to trick them into giving DNA samples. With the help of their new friend Simon, the children investigate and find a way into the building. Inside they discover a huge egg. Hatching from it is the result of an experiment conducted using Dinah's DNA, an experiment that is the work of the Demon Headmaster. This time he's determined that no one will stand in the way of his plans; this will be greatly enjoyed. Books for Keeps

Demon Headmaster Strikes Again Gillian Cross, 1998 The fourth book in the Demon Headmaster series concerns the head and his experiments to produce an evolution accelerator. He aims to use Dinah's DNA and produce the perfect human being, but by doing so puts Dinah into terrible danger. *The Demon Headmaster Strikes Again* Gillian Cross, 2017-08-03 The Hunter family have moved house and can finally forget all about their encounters with the Demon Headmaster, or can they? Just as they start to relax, Dinah Lloyd and Harvey notice that the villagers are all speaking the same robotic phrases. This can only mean one thing: the Demon Headmaster is back, and this time he's planning a terrifying experiment. Great fun and a little bit frightening. Gillian Cross's Demon Headmaster books still hold readers under their hypnotic spell. Fast-paced and full of adventure, they're impossible to resist. [The Demon Headmaster](#) Gillian Cross, 2017-07-06 When Dinah is fostered by the Hunters, she thinks her biggest problem will be fitting in with her foster brothers, Lloyd and Harvey. However, once she starts at her new school, it's clear that there's more to worry about. All the children, apart from a handful including Lloyd and Harvey, are too well-behaved, robotic, almost, and oddly keen to please the creepy headmaster. The three children set out to discover the nature of his influence over everyone, but then Dinah finds herself saying and doing things she has no power over. Soon they uncover the headmaster's wicked plan. Controlling the school is just a practice run. He has set his sights on dominating the entire nation. The children must foil him before he succeeds, but with Dinah under his spell, they've got a challenge on their hands. Great fun and just a little bit frightening. Gillian Cross's beloved classic still holds readers under its hypnotic spell, even after thirty years of being in print. An accessible page-turner. The Demon
