*How to Be a Pickup Artist* Kent Lamac, 2019-12-18 Many men have tried to spend time with me to learn what makes me special with women They can't see it because it's not obvious from how I behave or dress It's not even obvious by how I talk And this can be puzzling In other words I'm basically impossible to copy So what makes women so attracted to me I'm not well build and full of muscles I'm not tall and blond I just don't have anything in me or in my behavior that can make me look like a potential threat to other men And yet they perceive me as one But they only

perceive me as one once they see all the girls moving towards my side leaning on me and hooking on me Like a Ninja I am impossible to detect until the job is done And that I believe increases the level of mystery in what regards my personality and my social magnetism Now before all that happens there are certainly things I have in me and my capacity to observe that makes me fast and efficient at picking up the best women And in this book I will explain to you how you can develop the same type of qualities The qualities presented here emerge from a peculiar attitude to life one that emanates a vibe women can feel and are unable to resist And it's much more than what shows in confidence but you'll have to read more to find the big secrets that even most PUAs don't know
